

List of concerns on MBI faculty who got evil training at anti-Biblical universities

List of MBI (Moody Bible Institute) Faculty who got their education from the wrong places, which means they are (at very least) confused on the Bible. Some of these faculty are sincerely confused (and can repent) and are trying to learn, study, and grow closer to God. But, some are intentionally trying to confuse and mess up things, while trying very hard to sound like us – which makes them cursed false teachers who hate the Bible.

Hello and welcome and thank you so much for caring and praying for Moody Bible Institute and other honest Bible colleges in the US (what few are left). Below is a list of current faculty on MBI's staff who have gotten training from evil colleges. What is not clear to us (yet) is how many of these are about to be fired. We also know that at least a few of those being fired or "let go" are being fired solely for asking much-needed accountability questions.

At the end of this article, we give links and explanations.

You can find out more about that problem,

here: <http://www.RestoreMBI.com/Restoring-MBI-to-its-roots.htm>

here: www.RestoreMBI.com/MBI-timeline-of-issues.htm

And here: <http://www.restorembi.com/web.htm>

This report you are reading has two parts. The first one [the part that you are reading now] is the list of faculty, titles, years working at MBI, and the colleges they went to and the training they got.

The second part of this two-part report is a quick-reference guide for the following list (shorter and easy to look over the concerns, at a glance). And you can find that here:

www.RestoreMBI.com/academia-quick-reference.htm

www.RestoreMBI.com/academia-quick-reference.pdf

So, before we look at the list below, we need to explain what you are about to see. Below is a list of names of current faculty (until the May/June 2018) and their education. But, please keep in mind that just because someone appears on the list below, that does not mean that we are saying that they are evil. We know of at least a few of these people are trying to oppose and expose evil. What this list means is that they have some very bad training from the devil. Some of them know it and are sorry for the lies the devil's "education system" told them. Some of them do not realize many of the lies the devil's "education system" told them. And (the worst category) some of them know the lies the devil's "education system" told them, but they like those lies they want to help cause others to believe the lies against the Bible and turn away from God like they have – while looking very spiritual so that they don't get caught (they hope, but 2nd Timothy 3:9 and Galatians 6:7-9 says they will get caught). But, you can help (any and all of) them know the information by sharing this information with them. Please do share this

information with them and anyone else you can reach who loves Moody. Thank you for your help and prayers in Restoring Moody to its roots and foundation: DL Moody's oath to God.

Short notes on Jesuit training concerns:

Loyola, Fordham, Gonzaga, and Marquette are among the publically proclaimed Jesuit-run and Jesuit-training colleges in the US. King's College of London is the Jesuit/Anglican training college in England.

You can find more about the Jesuits, how they run things secretly, and why 49 countries have expelled them permanently, in this article here:

<https://quantumprophecy.wordpress.com/2013/10/24/the-jesuit/>

Remember, the Jesuit oath is a secret oath to do seriously evil deeds, but almost all trained Jesuits do evil secretly – between 95% to 99% of Jesuits never reveal their allegiance or oath to the Society of Jesuits and the Pope. As we explain on our website:

"... "... I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

"In confirmation of which, I hereby dedicate my life, my soul and all my corporal powers, and with this dagger which I now receive, I will subscribe my name written in my own blood, in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the Militia of the Pope cut off my hands and my feet, and my throat from ear to ear, my belly opened and sulphur burned therein, with all the punishment that can be inflicted upon me on earth and my soul be tortured by demons in an eternal hell forever!..."

> One source that quotes it - <http://www.biblebelievers.org.au/jesuits.htm>

>Notes: That is both shocking and real that every single Jesuit takes that oath and most of them are not in religious leadership positions... they hide among us and in all of the other countries. It truly is cloak and dagger - sometimes literally, sometimes philosophically. That is why every honest follower of Christ needs to become aware of and watch closely anyone who is a Jesuit, has trained to be a Vatican "priest" or anyone who has attended a Jesuit college, including the one named after the founder of the Society of Jesuits, Ignatius Loyola. Yes, that includes Loyola of Chicago. They are an enemy of Christ pretending to be one of us, and using our own words. Just watch their actions and their secret sins and you will clearly see that they don't love Christ or His Word, but only serve the Jesuit "pope" and his antichrist system. That is why we are very concerned that there are (at least) 8 Jesuit-trained leaders inside Moody and who are covering up corruption and leading MBI to a crash. We pray and wish to see this halted. Please join us in sharing the information so others too can pray and get involved in the discussions, corrections, and (if necessary) prosecutions and lawsuits to stop the Jesuit takeover of the beloved Bible college - Moody Bible Institute.

"The 8 Jesuit-trained leaders that we have been able to find so far in Moody's leadership.

- > Greg Thornton
- > Larry Davidhizar
- > Dennis Fledderjohann,
- > Christopher Denison
- > Mark Wagner

- > Randal Dattoli
- > Michael Milco
- > David Tae-Kyung Rim...”

-- You can see the proof for yourself in this article:

When we analyzed the list of professors, we identified 10 professors from 5 different Jesuit-run Universities in our Quick Reference Guide. Those names are:

Jonathan Armstrong
 Randall Dattoli
 Larry Davidhizar
 Dennis Fledderjohann
 Jack Lewis
 Michael Milco
 Gregg Quiggle
 Chris Rappazini
 David Tae-Kyung Rim
 Sushil Shenoy

Richard Weber [*he has been exposing and loudly opposing the corruption*]

Short notes on Freemasonry training concerns:

Those men in Freemasonry (US and Europe) are the agents who work with the Jesuits, but in the satanic ranking, masons are the servants of the Jesuits and the Pope – which many don't know. Freemasonry is a satanic cult that encompasses all religions and is a religion of its own. It truly is satanism repackaged. Sadly the “conservative” and “reformed” camps have been silently infiltrated for over 50 years by secret leaders in masonry. You can find some evidence of that at this link: <http://restorembi.com/masons-in-SBC.html>

You likely noticed that we called the training at “Dallas Theological Seminary” in Texas as masonic, along with “Regent University” in Virginia, and “The Master's College” in California. The reason we call out all three as teaching masonry is because they are the hubs of masonic teachings that help deceitful leaders get a full-time career as a “pastor” and run a “church” like a 501c3 corporation, while they sound like (or almost like) Christians to average Americans who identify themselves as Christians. Do some honest Christians come through those colleges? Yes, but if they do, they are spiritually confused when they come out, they don't know their Bibles very well anymore and they are bound by their secret oaths to the Vatican/Rothschild/Rockefeller run NWO government, in the stranglehold of what is called a “501c3 corporation”. Simply put, they are bound for the rest of their years to abide by the over 100 secret rules forbidding them from teaching important Bible truths, while they must say enough religious things that sound Biblical so they can bring in money, and they must give approval to wicked “spiritual leaders” to stay in the circus. As for the evil leaders on top of that demonic system, it probably

will come to a shock to some to see that people actually train on how to look and sound like followers of Christ but are not followers of Christ. But that is what Jesus and Paul warned us about, isn't it?

*“¹³ Enter by the narrow gate; for wide *is* the gate and broad *is* the way that leads to destruction, and there are many who go in by it. ¹⁴ Because narrow *is* the gate and difficult *is* the way which leads to life, and there are few who find it. ¹⁵ Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. ¹⁶ You will know them by their fruits. Do men gather grapes from thornbushes or figs from thistles? ¹⁷ Even so, every good tree bears good fruit, but a bad tree bears bad fruit. ¹⁸ A good tree cannot bear bad fruit, nor *can* a bad tree bear good fruit. ¹⁹ Every tree that does not bear good fruit is cut down and thrown into the fire. ²⁰ Therefore by their fruits you will know them. ²¹ Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in Heaven. ²² Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' ²³ And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'”*

(Matthew 7:13-23)

“... ²⁸ Therefore take heed to yourselves and to all the flock, among which the Holy Spirit has made you overseers, to shepherd the church of God which He purchased with His own blood. ²⁹ For I know this, that after my departure savage wolves will come in among you, not sparing the flock. ³⁰ Also from among yourselves men will rise up, speaking perverse things, to draw away the disciples after themselves. ³¹ Therefore watch, and remember that for three years I did not cease to warn everyone night and day with tears...”

(Acts 20:28-31)

*“¹³ For such *are* false apostles, deceitful workers, transforming themselves into apostles of Christ. ¹⁴ And no wonder! For Satan himself transforms himself into an angel of light. ¹⁵ Therefore *it is* no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.”*

(2nd Corinthians 11:13-15)

“... ⁴ traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, ⁵ having a form of godliness but denying its power. And from such people turn away! ⁶ For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts, ⁷ always learning and never able to come to the knowledge of the truth. ⁸ Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; ⁹ but they will progress no further, for their folly will be manifest to all, as theirs also was...”

(2nd Timothy 3:4-9)

Short notes on European Jesuit/Freemasonry training concerns:

We explained this mostly in the individual categories on Jesuits and Freemasonry, but you what many people don't realize is that the European version is much more demonically run, with craftier false teachings

Short notes on the One-world religion training from the "Family" or "Fellowship":

Liberty University and Regent University are very ecumenical – meaning they hold all-religion gatherings and are promoting the uniting of all religions to become one. One of their trick-wordings is to promote that at very least the co-operation of all religious "faiths". Some of their top leaders are really crafty and sound very Biblical, but only sometimes. Study any of them out very much and you will quickly understand that they don't speak truth – they speak double-speak and words with double-meanings to keep the followers of Christ fooled and the secret satanists who run the "Christian" industry happy. You can find more information below.

Short notes on the pagan psychology system and/or the “Christian” version of the same thing: “counseling”

This category is one of the most serious ones, because of how subtle and hidden their effect is. Psychologists and counselors affect the personal decision-making processes of so many students for the purpose of excusing sin as normal thought processes. Their method is analyzing human behavior from a godless (scientific supposedly) point of view and attempt to teach everyone how to get what they want while not having to call it as sin, and they ignore or outright avoid and rewrite sin’s consequences and God’s conviction on people’s consciences. A conscience can be taught what to focus on and is not a firm guide like the Holy Spirit is. So psychologists prey on this in order to help rewrite their conscience to accept and tolerate sin both in themselves and in others. Psychologists can change the entire culture in a very short time, just by enforcing strict manners and questioning the mindset of various individuals or ideologies. This is a power (to understand how the mind thinks) that is either held closely in check by Scriptures or it becomes very dangerous and hurtful to everyone very quickly. Even worse, is the fact that the entire basis of psychology is from secular humanism – the attempt to create moral beings without the work of the Holy Spirit.

Psychology is not an effort to understand the mind as it would seem. It is actually an attempt to explain decisions without an moral reference. They only see chemicals and neuronal patterns and feelings and damage. They have no reference to sin in this structure at all. The “Christian” form of this is counseling, which really is just lower level thought-police who enforce only some parts of the major system of psychology while trying to make it seem compatible with the Scriptures. When you don’t deal with sin of the heart, you will have every kind of evil thought available. But psychologists and counselors have to do their best to pretend to be neutral – as in, not knowing who is right or wrong on any given subject – so as to allow the “patient” the ability to express themselves. The end result is excusing sin as “understandable” and a blurry inconclusive list of suggestions, while keeping records against the person. That records-keeping part going into the hands of the more powerful psychologists who are trying to control Christians to keep us from influencing the people under their power. They are literally willing to label Christians with multiple “diseases” and “disorders” – anything to keep us from preaching the gospel, preaching against sin, correcting the problems of society, or setting a strong example of righteousness in a visible way.

Concluding notes:

If you need more resources, please - just ask. We will be glad to help as much as we can! Please share this information with all of your friends, especially those who love Moody Bible Institute (MBI), so they too can watch, pray, and speak up, as we work together to Restore MBI.

Thanks so much for watching and praying, and speaking up where you find evil, sin and deception.

Watching, Preaching, Praying,

The team at www.RestoreMBI.com
