### Who is Lying?

You need to know the top leaders at MBI are clever manipulators (board of trustees, Jesuits, psychologists, etc). When anyone points out their evil deeds, they deny it or, even worse, they falsely accuse the whistle blower. Then they secretly change the biggest things they got caught doing, so no one can prove their evil deeds. Sadly, some of college age students won't research the facts, instead they fall for clever believable-lies and manipulations, including flattery. We believe a quick review of the short history of how MBI got in its current situation would be most helpful in showing who is lying.

There have been several whistle blowers who knew what they were talking about. They were eye-witnesses, and they did a good job of exposing evil. But the top leaders quickly criticized a slight error, and then slandered the whistle blower, and dismissed all of their evidence – telling the students to ignore everything. But why do they dismiss all of the evidence that proves evil deeds? Because they almost get caught each time. Then a carefully-planned spiritual deception covers everything like a thick fog, and the worst misdeeds are changed or excused, and the game goes on as planned. And, when a Jesuit professor, or psychologist starts getting caught they go away and another takes their place.

Have you forgotten that Julie was quoting actual major legal and moral issues that need to be addressed by the Moody family – students, alumni, donors, and prayer partners? Have you forgotten that Rich Weber was raising important questions and noting that some of the MBI staff was/is not keeping their oath to God and MBI about taking God's Word literally and in-context? Have you forgotten that small group of students, who wrote at the "Broken Twig" who were seriously concerned of why Paul Nyquist would fire people for no other reason than that they were asking the "wrong questions"? Have you forgotten the alumni student who in about 2018 wrote that there was some serious moral issues allowed among the students and faculty by the corrupt MBI leaders? Have you forgotten the anonymous staff letter that replied to the illegal and unethical firings of whistle-blowers, also noting many things that need to be addressed? Most of the things that were mentioned by each of those groups have been completely ignored and pretended to be "solved". But if the Moody family keeps letting these issues be ignored, you will see MBI collapse or be sold to a Jesuit college (perhaps the one who was created by those who started Chicago fire). We know you don't want that. And neither do we. That is why we speak for those who do not have a voice. And you, the reader, can help a lot more than you realize. Send us questions. Send us tips. Send us

prayer requests. We will keep your info anonymous, and it will help the Moody family get involved and start helping solve these problems.

We at the RestoreMBI team are getting the same treatment from the corrupt MBI teams. We proved that many of the professors went to a Catholic college, some are openly Jesuit, some secretly Jesuit. But the Jesuits and psychologists just discredit the evidence anyway. We proved that Erwin Lutzer finished his Jesuit dissertation and released it in 3 books. That means that Lutzer is a high-level Jesuit. And Lutzer helped bring in many of the Jesuits who are now trying to ruin MBI and sell off MBI property.

We proved that Mark Jobe is a partner in "Seven Mountain Dominionism" which is Roman-Catholicism and satanism - right out of Revelation 17. The devil wants to be king of the earth, and Mark is part of the Lausanne Council to make that happen. And Mark is part of the Oikonomia Network, it's a Catholic program to infiltrate the daily lives of Chicagoans. We pointed out that psychology is a God-less false religion. They put God's name in there in a few places and tell the students it is Christian psychology, but even students admitted to us that the psychology system doesn't let them use the Bible. Every time their so-called "Christian psychology" contradicts God's Word, God is right and the psychology lies and myths about humans - are wrong. Biblical counseling is correcting personal problems according to God's Word, and only using the Word of God, the Bible. We all know that the Bible is accurate and trustworthy in all things. With all of what we have researched and said, we believe our research is about 99% accurate. That 99% is an "A" grade. So, why are so many students ignoring the facts we are presenting?

Let's review a few lies we have heard personally, as the RestoreMBI team. A professor told us we made a mistake on a short bio of the professors. I asked what the mistake was so we can correct it. He wouldn't answer my question. Why wouldn't he answer my/our question? What's he hiding? His refusal to give an honest answer indicates the whole truth about that – that either the professor is worse than we said, or that he himself was intentionally lying to me/us. Since he didn't answer my question, there might not have been an error, he was just complaining that his evil got caught.

So, we put that challenge out to everyone: If you know of any errors in anything we have printed, please tell us our error and we will correct it right away. But we also plan to study that subject more thoroughly. Through the years, we have exposed other false teachers, and if they criticized something we said, we remove what they challenge. But every time that has happened to us, we researched deeper and found the hidden parts of the story were far worse than we first said. And we published our additional findings. So, again, please: if you think we made any mistakes in anything we printed, please tell us and send us the corrected info. We will quickly correct anything being questioned. .

But, a thought to ponder – if one or two details in a report are possibly a slight miss, does that mean the whole report is wrong? No, of course not, it just means that the report had a slight error and that is usually on a peripheral detail, not the core subject being addressed. So, the core premise is on-target, but a side detail might have been missed slightly. If you find any errors, send us an email or contact us through the website – the contact form should be working now.

With that said, when will you personally look at the evil deeds of MBI professors and staff? Please? Are you a man of God? Or, are you a woman of God? God opposes evil, and commands us to do the same.

**“<sup>24</sup> Do not judge according to appearance, but judge with righteous judgment.”** (John 7:24) When evil people get caught, whether they are politicians or false teachers, they have to back away from their evil deeds – so they don't get caught more. Just catching them doing evil does help a lot, as this next passage explains even better: **“<sup>11</sup> And have no fellowship with the unfruitful works of darkness, but rather expose them. <sup>12</sup> For it is shameful even to speak of those things which are done by them in secret. <sup>13</sup> But all things that are exposed are made manifest by the light, for whatever makes manifest is light.”** (Ephesians 5:11-13) There are some evil and perverse deeds people do that we should be very careful in our wording, but we do need to shine God's light on their evil deeds so others can see them too, so we all can stand up to that evil doer and stop him/her from hurting others, with their

actions and words. When you expose evil deeds of false teachers, you are fulfilling prophecy in 2 Timothy 3:8-9. And, God says that when we do it His way, they will progress no further. **“<sup>8</sup> Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; <sup>9</sup> but they will progress no further, for their folly will be manifest to all, as theirs also was.”** (2 Timothy 3:8-9)

We have been told that about half of the student body has noticed behaviors of MBI leadership that violates God's Word. But they are afraid of getting persecuted or thrown out of MBI. We believe that because we have also been told there is a persecution against Christians at MBI. The atmosphere of hostility against accountability is still there, just like it was under Stowell, Nyquist, Thornton, and now Jobe. Maybe you would like to make an anonymous statement because you hate the evil you see. Take your stand for Jesus. When you stand up for Jesus (and pray), remember to trust that He will protect you and help you through it – He does that. Our contact form should be working now – write at any time. We plan to reply as soon as time and life allow.

As Jesus Himself said, we can catch liars because God does, at key times, make them speak out of the abundance of their hearts, to show their own evil hearts. **“<sup>43</sup> For a good tree does not bear bad fruit, nor does a bad tree bear good fruit. <sup>44</sup> For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush. <sup>45</sup> A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart brings forth evil. For out of the abundance of the heart his mouth speaks.”** (Luke 6:43-45)

And God explains that liars will fall for deceptions – it's one of God's consequences on those who intentionally deceive: **“<sup>12</sup> Yes, and all who desire to live godly in Christ Jesus will suffer persecution. <sup>13</sup> But evil men and impostors will grow worse and worse, deceiving and being deceived.”** (2 Timothy 3:12-13)

As you catch the liars on the MBI staff, keep in mind this key fact: the devil and his agents don't fall over just because someone catches them - they have to be thrown out, as the Scripture says. **“Cast out the scoffer, and contention will leave; Yes, strife and reproach will cease.”** (Proverbs 22:10) In that verse, God is clearly saying that when you cast out the person who is promoting sin and causing sin-strife, then the wrong kind of strife will cease... but only after you kick out the God-hating scoffer who's fighting for sin... and not until then. So, Moody family and alumni - we've got work to do. Reach out to us anytime we can help. We help every person we can reach to the best of our ability. And God's Word says it is these who cause division – those who are pushing sin and excusing sin. It is an old trick to blame God's witnesses who speak out against evil. This is why God points to the scoffer against God's Word as the one who is causing division. **“<sup>1</sup> Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world.”** (1 John 4:1)

**“<sup>17</sup> But you, beloved, remember the words which were spoken before by the apostles of our Lord Jesus Christ: <sup>18</sup> how they told you that there would be mockers in the last time who would walk according to their own ungodly lusts. <sup>19</sup> These are sensual persons, who cause divisions, not having the Spirit.”** (Jude 1:17-19)

And, again, God through Paul said it this way: **“<sup>13</sup> For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. <sup>14</sup> And no wonder! For Satan himself transforms himself into an angel of light. <sup>15</sup> Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.”** (2 Corinthians 11:13-15) Note the ending of that passage – **“whose end will be according to their works”**. Notice the sins they love and cover for and are addicted to – that's the bad fruit you are looking for that proves they are bad trees producing bad fruit, while pretending to be very good trees – as though they are “so much better” than you and me.

It seems that God has decided and is allowing 2020 to be a key year that everyone (seemingly worldwide) learns to identify deceptions and deceivers a lot better. We say - Good! That's an answer to many prayers, from us and others. With that in mind, we did a study years ago that was very helpful for us in identifying false teachers. Interestingly, it doesn't name any names – just lists many dozens of verses that highlight the differences and contrasts between a God-approved Bible teacher who uses the Bible as his only foundation, and the false teachers

who craftily excuse sin and mix in anything belief, mythology, psychology or philosophy that can erode the Bible's teachings and authority. We think you will find this study helpful. You can find it here:

On a similar topic, someday soon, we hope to publish a short Bible study on the topic of deception and the various levels/degrees of lying that humans use. Deception is a very deep topic – sadly, not many seem to know it, or the 4 passages in the New Testament where God warns us to not be deceived – which means, we could be deceived and need to make sure that we are not deceived. God has in His 10 Commandments, a command not to lie or intentionally deceive - it's there for a reason, and we intend to talk about it, because lies do hurt people.

Thank you for studying God's Word, sharing with others, exposing evil, and praying!
