Hello Moody alumni and family, we need you. Those who are being abused need you. These scandals are piling up, and Mark Jobe and his whole team of leaders are not only ignoring these scandals and the financial crimes, but they are covering them up and adding to them. We need you to press for changes. If you don't, Moody is crashing and will get sold off and destroyed, just like the Jesuits did to Northfield Bible School and Seminary. Please speak up. Please help. Please share and get the word out. Thank you ~ The Restore MBI team

Mark Jobe (Jesuit) enforces evil and illegal governor non-binding “executive order”, forcibly vaccinated all students. Those who got the vax will now have nerve issues heart issues, organ issues, and possibly/probably be sterilized for life, and some will sadly likely die young. Your body = your health = your choice. How many crimes and scandals is Mark Jobe guilty of? When will the Moody alumni stand up and tell him to stop?

We again heard eyewitness testimony, and witnessed some of it, that the MBI faculty is continuing to let the MBI students get drunk and immoral at least on graduation nights. Why? This must stop. Please help.

Thanks for Watching and Praying,

The RestoreMBI team
