

**List of Jesuit hubs in the USA (1600s to today)**

[The lists below include several colleges and retreats outside the US that affect the US]

- <https://www.RestoreMBI.com/SJO-USJ-list.htm>
- <https://www.RestoreMBI.com/SJO-USJ-list.pdf>

The list below is a list of most of the Roman Catholic and Jesuit colleges, universities and seminaries in the US, as well as some prominent “Protestant” colleges, private colleges, and even some “ivy league” colleges - all Jesuit directed.

A quick reminder of the Jesuit oath that these trainees are secretly agreeing to - and it's a blood oath too, meaning they make this oath to the Vatican and satan with their own bloody fingerprint. [Warning - it's graphic, we're sorry. We are only quoting a short part of it. They do literally say this and yes they are that evil - it's awful... but it's them.] This is only a short clip that they pretend is part of an “ancient old out-dated oath”, but we and others have been able to prove that “official story” line is a lie - simply put, this is not the old Jesuit oath, this is the active official Jesuit oath. “... I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do so... and that I will hang, waste, boil, flay, strangle and bury alive... rip up the stomachs and wombs of their women and crush their infants' heads against the walls... That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulation cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons... at any time I may be directed to do by any agent of the Pope...” (see more from helpful sources like [www.BibleBelievers.com](http://www.BibleBelievers.com), etc.)

Quick notes on that satanic “oath” - when they say “protestants”, they mean that they wish/want to murder all of those who reject the rule of the Roman Catholic church (Vatican), or reject the control of the Vatican. Notice that they say that they will do these evil things “when directed to do so”, meaning the agents of Rome (aka Jesuits, and/or their Jesuit-trained helpers) are working on what Rome wants them to do at that given time. Rome has a progression of plan to destroy the world and bring it under her rule again, it just takes time so that they can do it sneakily and not get caught - but God the Holy Spirit promised in 2nd Timothy 3:8-9 to expose their evil deeds and make them plain to the common people, just as Jesus also teaches in John 3:16-21. Jesuits rely on your lack of knowledge of the Word of God (Bible) and your lack of knowledge about their evil plans, and/or your lack of strength of character to stand on the Word of God against their evil deeds, schemes, tricks and cover-up stories. The best way to combat the evil satanic agendas is to grow in holiness, stay spiritually alert, grow in spiritual discernment, watch out for those who flatter you with some sort of hidden agenda, and expose the evils and sins that you can - from God's Word, not quoting the teachings of man.

The Jesuits have infiltrated (or really invaded) every Christian organization in the US - that includes churches, Christian schools, Christian colleges, Christian seminaries, and the largest Christian “ministry” organizations. In 1975, the Jesuits boasted that they had infiltrated and conquered all of the religions and all of the denominations of “Christianity”, including the cults. When you find a Jesuit person (man or lady) at a college or church or authority positions, just understand that they are the top evil leader in that organization or college or university, etc. If you find a Jesuit college, they rule the other colleges around them - in a variety of ways. If you find an unofficial Jesuit college, they control the other colleges around them (and/or in their denomination) but not openly, in secret. At the top of the Catholic colleges is the USJ (unofficial Society of Jesuits) college called the “Catholic University of

America" - the only one with the distinction of having 3 "popes" (aka Jesuits, whether known to the public or not) to have not only visited but also spoken there. They are the secret Jesuit leader in the US. Which is typical of them, because as you read above, about 95% of the actual Jesuits will intentionally hide their identity, and use that secrecy to protect their "brothers". The Jesuits pride themselves as being the pope's "marines" and "the company" (their own words). Yep, their conspiracy against the world is that mean and that abusive and that dangerous. No wonder over 83 countries and city-states have openly rejected + thrown out + banned Jesuits from being allowed in their territory.

There are 4 (sort of 5) types of Jesuits, and we expect to explain this in further detail in the near future.

They are listed in order from highest to lowest.

1> Jesuit Teachers, 2> Jesuit Brothers (official, full Jesuits), 3> Jesuit Fathers, 4> Jesuit Priests, 5> Novices/Pupils/Disciples (from the college students to the not-quite-knowledgeable "deacons")

Quick notes: what you are about to see is that almost every Roman Catholic institute for "higher learning" is controlled by the Jesuits, and/or is unofficially or officially a Jesuit school. There are only a few who cannot be proven to be directed by Jesuits, and those few are schools only for lady Roman Catholics. If you have forgotten how evil the Jesuits are or their cruel demonic blood-oath that they take to enforce the rule of Rome and the Vatican and the so-called "pope", we suggest you read the info on <https://www.RestoreMBI.com/web.htm> and <https://www.RestoreMBI.com/books.htm> - If either of those links stop being active, expect that the Jesuits hacked or attacked them to silence the truth, as the freemasons have done with other reports that we have published. - Watching, Preaching, Praying, the RestoreMBI team

***This is the list of SJO and USJ colleges and universities as well as the openly Jesuit and secretly Jesuit "Retreat" centers that we have found as of mid-2019***

**>> For a quick reminder of the abbreviations of the 50 states, see the end of this article.<<**

Official and Unofficial Jesuit "Retreat Centers" have many satanic, occultic, mystical, and even theosophical activities. Here is a short list of the common demonic-driven activities you will find in their own descriptions: ***spiritual formation, spiritual direction, yoga, Qi Gong, Tai Chi, Reiki, labyrinth, meditation, centering prayers, Mahayana, Chanting, Consciousness, creative development, personal transformation, Men's spirituality, sacred universe, and eco-spirituality.*** Many of these so-called "retreats" also describe themselves as "***interfaith***" or use the words "***open to all faiths***" or "***all religions***". If you want to find any alternative to the one true God who wrote the Bible, it seem the Vatican/Jesuit-run outposts are where to look... and they will, as Jesus said of false teachers, train that person to be twice the sons (daughters) of Hell as themselves.... But God does rescue some people and bring them to their senses. That is why we must always pray for the repentance of the lower levels of satanic and false religions, or so-called "religious" trainees – some of them can learn over time to hate the sins and lies of their false religion. The older ones, especially the leaders, are so corrupt and hardened and have made so many oaths to satan, the Jesuits, and/or demons, that they cannot repent, but some will try to pretend they have – by their actions and the sins they love (their fruit), you will know them (Matthew 12:33; 2nd Corinthians 11:14).

In addition to those evil activities, they also have times of "silent retreats", which apparently is just the individuals mostly don't talk to anyone, just have their own books, CDs, DVDs, and notebook and can focus on whatever they have pre-decided and want to – for a wolf, that would be quite welcome so they can work on their next evil agendas and next false teachings and versions of false gospels, without getting interrupting by attentive and praying genuine followers/disciples of Jesus Christ.

*Quick notes:* what you are about to see is a list of the main hubs of Jesuits in the US (and a few major ones that directly affect the US). In our RC-list article, you will see that almost every Roman Catholic institute is easily proven to be Jesuit-controlled, Jesuit directed, or a center for Jesuit training to produce Jesuits. What's even more shocking is that many so-called "secular" or "private" ones are also easily proven to be Jesuit-directed, and even some of the Protestant colleges. To say that another way: all (or almost all) of the colleges and universities for "higher learning" are controlled by the Jesuits, and/or are unofficially or officially a Jesuit school. There are only a few who cannot be proven to be directed by Jesuits, and those few are schools only for lady Roman Catholics (the secretive thing here is that there are "Lady Jesuits" - this team has met at least 3, but they cannot admit to being Jesuit, because by their own "official story" and public definition, the Society of Jesuits are a "male only" club/fraternity/militia. If you have forgotten how evil the Jesuits are or their cruel demonic blood-oath that they take to enforce the rule of Rome and the Vatican and the so-called "pope" and how many myriads of people they have murdered to get Roman dominance, and how many Bibles they have burned to keep it out of the hands of us "peasants", we suggest you read the info on <https://www.RestoreMBI.com/web.htm> and <https://www.RestoreMBI.com/books.htm> - If either of those links stop being active, expect that the Jesuits hacked or attacked them to silence the truth, as the freemasons have done with other reports that we have published. - Watching, Preaching, Praying, the RestoreMBI team

### **SJO colleges and universities = "Society of Jesuits Official"**

This next list is by no means exhaustive, and with that understanding, we intend to update it periodically as we uncover more influential colleges that are proven Jesuit-directed, or training unofficial Jesuits. Each type of college, whether JD (Jesuit-directed) or USJ (Unofficial Society of Jesuits) have been researched individually and proven in at least 3 ways before adding them to this list. The SJO (Society of Jesuits) are the known and publicly-admitted official Jesuit colleges/universities. There are supposedly only 28, but you will find more in the list below.
