

Who are the Jesuits?

[a modern reminder of a centuries old thread, problem, and nightmare]

Hello brothers and sisters in Christ and fellow prayer partners, (and friends),

August 2019

In this article, we (RestoreMBI team) see a strong need to remind as many of the American (and international) audience as we can reach to remind them of a threat that many millions ignore – the Holy Roman Empire/Church and her agents. That ruthless tyrant is a threat that we have all ignored for far too long, and that needs to change, ASAP. They have been banned in over 80 countries, cities, city-states & provinces for a very real reason.

You already know some Jesuits, but you probably didn't realize you do. **Donald Trump** (Jesuit "president" of the United States – not elected, but usurped), **Jorge Bergoglio** (aka "pope" Francis), **Teilhard de Chardin** (Jesuit "priest" and promoter of the lying religion of evolution, and the "missing links"). But others that aren't as noticed are **Billy Graham** (Jesuit "evangelist for the pope" "crusader" and 33rd degree freemason), **Francis Schaeffer** (high-level Jesuit one-world-society leader and trainer in Jesuit Lausanne Switzerland), **Loren Cunningham** (founder/leader of YWAM), **RC Sproul** (expert in "reversing" the Reformation by quoting Catholic-Jesuit scholars such as "St. Augustine" and "Thomas Aquinas" as "scholars" on the Bible and theology), **Erwin Lutzer** (skillful highly-trained Jesuit, also nazi expert), **Luis Palau** (trained by Jesuit Billy Graham), **Bill Bright** (partner with Jesuit Billy Graham in global tactics to control deceive Christians), and **Kirk Cameron** (trained by Jesuit Billy Graham), **Bill and Hillary Clinton** (yes they are both Jesuits, and yes some ladies are LJs – Lady Jesuits, but they try to keep that top-secret from us), the **Dulles family** (nazi co-partners with the Rockefellers, Fords, Kissinger, Brzezinski, Warburgs, Schiffs, etc), and even the infamous "atheist" **Richard Dawkins**, but there are lot more than that. Then there are music artists and some Jesuit agents that joined the "pope" for one-world unity for the "**Reset2016**" and the "**Together 2018**" – including Jesuit partners such as **Matt Maher**, **Michael W. Smith**, and **Casting Crowns** (just to name a few), as well as speakers such as **Josh McDowell**, **Tony Evans**, and **Francis Chan**. Those can be proven by their Jesuit training, associations, and/or the scholars they quoted.

Even more are some really shocking ones – like **John MacArthur** who was trained with/by Jesuit **Billy Graham** and his network from Lausanne Switzerland, as well as being trained by high-level Jesuit-Kabbalist teacher **Charles Feinberg**, in addition to being the 5th generation mason clergy. Other Jesuits? Would it surprise you about **Adolf Hitler**? Many people realize (or ought to) that **Benito Mussolini** was a Jesuit (trained to be a Jesuit "priest") that is why he was the chosen to be Vatican's dictator, to make the Vatican City a global city-state, and to help conquer areas in Africa and worked to silence opposition to Rome. What many people don't realize is that **Hitler** and his

leaders were also Jesuits (Jesuit training) and got the direct blessing of the “pope” and did the bidding of the Vatican. You see, WWI and WWII were a two-part Vatican “inquisition”, meant to try to murder or exile/remove all of the honest Jews and Christians from Europe – which they seemed to get pretty close to. And (among other things including a one-world Bible translation-controlling Society, IBS/UBS), they and the Vatican “Ustashi” created an “ethnically pure” Catholic state for the Vatican, called Croatia. There is a lot more on this topic, and it’s pretty easy info to find when you look up the real history of the “Holocaust”. You can find it in books like the series done by Avro Manhattan, or found in the resources of “[Chick Tracts](#)” and “[Vatican Assassins](#)”. One key book that is only 40 pages but helps you catch up a lot on actual history, is a book by Sydney Hunter called “*Is Alberto For Real?*”. In that little book, the writer and his team reference 40 to 50 books that show the long-running murderous history of the Jesuits and the Vatican. You and I have a lot more Jesuits and Jesuit agents around us than we know. As you can see, honest followers of Christ need to catch up on who the Jesuits are, what they are trained for, and how to identify a Jesuit, Jesuit agent, and/or a Jesuit project or scheme.

To understand this topic better, we need to start with what God’s Word says on it, because God defines and exposes satan’s projects and patterns of deceptive schemes. You may remember that God talks about this threat in the last Book of the Bible – the one that closed and finished God’s Word, the Book of Revelation. Let us start there, and then review quick history and some facts, info and resources.

“¹ Then one of the seven angels who had the seven bowls came and talked with me, saying to me, ‘Come, I will show you the judgment of the great harlot who sits on many waters, ² with whom the kings of the earth committed fornication, and the inhabitants of the earth were made drunk with the wine of her fornication.’ ³ So he carried me away in the Spirit into the wilderness. And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. ⁴ The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. ⁵ And on her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. ⁶ I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement. ⁷ But the angel said to me, “Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. ⁸ The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition. And those who dwell on the earth will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is. ⁹ Here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits. ¹⁰ There are also seven kings... ¹¹ The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. ¹² These are of one mind, and they will give their power and authority to the beast. ¹³ These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful.’ ¹⁴ Then he said to me, ‘The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues. ¹⁵ And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. ¹⁶ For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the Words of God are fulfilled. ¹⁷ And the woman whom you saw is that great city which reigns over the kings of the earth.” (Revelation 17:1-18)

The time described in Revelation 17, in context, is a time we haven’t seen yet – the literal 7-year Tribulation, that will come after the “rapture” (1st Thessalonians 4, 2nd Thessalonians 2:7, Revelation 3:10), and after the man of lawless (THE antichrist) will finally be revealed, will be allowed to step on the world stage, sign treaties with all of the world’s governments, then deviously sign the 7-year Treaty with Israel, which he intends to break, and will

break at the middle – 3 and a half years. But just because we haven't seen any of the 7-year Tribulation yet, doesn't mean satan and his agents are sitting around twiddling their thumbs. No, satan is constantly on the attack against God, God's servants, and anyone who could potentially repent and partner with God against evil.

So, who is this great city that rules kings? Rome. You see that in God's prophecy to Daniel, found in Daniel 2, and other parts found throughout the book of Daniel, including Daniel 9:24-27. Let's briefly review the empires that conquered the world and persecuted those who love God and the Bible, the dates are approximates. First was the Babylonian empire [626BC to 539BC], then was the Medes and the Persians – or the Medo-Persian empire [539BC to 332BC], then the Greek empire [332BC to 63BC], and then the Roman empire [63BC to 476]. Daniel also describes a revived Roman empire, which we see during the last 7 years of Daniel's 70 weeks – all of this given by God, and each prophecy building on another and/or filling in what others didn't understand.

One key distraction the Roman/Jesuit agents try is to pretend that the Jewish people are always behind the chaos around the globe, but these lies are easy to destroy and disprove. We all know that in Genesis 12, 15, and 17 that God gave Abraham, Isaac and Jacob the land of the various peoples of "Canaan" because of the vile sins and demonic activities and idolatries and baby-sacrifices that the pagan peoples of the land were doing. So, God gave that land to Abraham, Isaac and Jacob/Israel with an unconditional covenant, and after 400 years in Egypt, God helped Israel conquer the cruel and evil tribes of that land. After that time, can you name one other country that Israel invaded to conquer that was not in direct response to the attacking from that country? No. Why? Because Israel then and now is known for defending itself, not invading and conquering other countries – much less, the whole world. Yet, especially since the 1920s, the Vatican/Jesuit agents have been spreading lies in many forms that Israel is behind the major chaos events of the world, when the details point back to Catholic/Jesuit agents, not Israeli people. And, no, the Jesuits are not "cryptic Jews" – that too is a Vatican/Jesuit lie and myth. If people would let the Word of God define the Word of God (Bible), they would see that God already answered that in Revelation 7. It's not the Jews doing this - It's the Romans. And, it would be very appropriate to call that lie against the Jews what it is – libel, false accusation and slander, and demonic propaganda. The Jesuits are the Vatican's secret agents. Don't let them blame it on someone else. And remember, those who contradict the Word of God to shift the blame off of Rome, are some of your most devious liars – some of them Jesuits themselves and/or Jesuit agents.

So, yes, Rome is that city that rules all kings... but it does it in secret. If you read the Catholic or Jesuit "catechism", you quickly realize that they believe and preach a lot of deceitful and wacky things, including that the "pope" in the Vatican in Rome is the replacement of Jesus Christ on earth, and whatever he says, must be obeyed without question. They also believe and preach that the "pope" and his special agents are above laws, and also above kings and princes. But, one man can't rule the whole show by himself, right? So, how do they rule the world? Good question. The answer is always the same, and will be true of the coming "antichrist" also. The answer can be explained in a few categories:

- A)** Through their members (over 1 billion) who mindlessly go along with their schemes and believable lies,
- B)** Through their agents who are instigating problems so that Rome can come in as the leader and hero, and
- C)** Through the Jesuits and other agents that control leaders and laws and economies.

You see, what the pagan "history" records the slow erosion/falling of Rome as an "empire" starting in the 300s, and as some say – as late as 470s AD, ignores and hides a major part of history. You may have heard or read about the "Holy Roman Empire"? That's because under Constantine and his gang of thugs and mafia and tricksters, the Roman empire transitioned to become the "Roman church". God has never approved or condoned their evil action, activities or false teachings and mythologies, in fact God and His righteous leaders have always spoken out against her evil and crimes. Rome is known for their many false teachings, twisting of Scripture for money, and covering and excusing the sick and perverse twisted behavior of their "popes", cardinals, archbishops, and "priests". You did notice in Revelation 17, that God said that they are "**MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. ⁶ I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus.**" (Rev. 17:5-

6) They are called that for a reason, and they are the only one who fits that description throughout the ages, though they try to blame it on everyone else, while their actions show that they are the top abusers and tyrants in the world, and they are still trying to be (or become) the one-world-government. z

So, let us continue to review history. Because, from the 300sAD and onward, the empire and religion of Rome kept expanding. Rome, and her gold, were growing with every new campaign, and crusade, and treaty, and forged document, and “papal decree”. They had the best schemes and were bringing in money from all over the known world. But, Rome has never like anyone who refuses to cooperate with their agendas. And by “don’t like”, I mean they will do anything physically harmful necessary to get their will done... and I mean anything. They are the inventors of all of the modern torture methods to exterminate the “dissenters”. You may have heard of the most infamous Roman “Inquisitions” in the 1100s and 1200s AD – those happened more often than that, but those are the most widely known ones. Rome’s system forced everyone to read the Bible in Latin – something that only those leaders trained in or by Rome could do, while also working to prop up any leader of any country who would recognize the “rule” of Rome (Italy, Spain, France, Italy). Keeping the Bible in Latin only, the Old and New Testaments, pretty much kept it out of the hands of all of the common citizens around the world for many centuries, allowing the “Holy Roman Empire” leaders to rule in relative peace. Rome also regularly searched out and tried to burn all of the original copies of the Bible and those who had them, including the manuscripts and careful copies held by the Waldensians (the apostles families). The Waldensians were hated by Rome because their manuscripts proved the fraud and lies of Rome, and the Waldensians were persecuted by Rome so much so that they had to flee to the Alps in northern Italy. But God preserved those old copies and the lives of the Waldensians up into (and beyond) the 1500s, so that people of all countries could read the Words of God (the Bible) in their common language. And God used a variety of people to help it get into print – some trustworthy, some not so much. But, because they were accurate (to a good extent) to translate into their languages properly, the people could read the Word of God, all across Europe.

And that’s where the Jesuits come into history. You see, there were great Roman/Vatican religious leaders in several parts of history, but none big enough to create a world-wide movement. Rome trained up and sent out Augustine of Hippo (400s AD) to write mythologies for those in Africa, and set up the pieces for training a future leader for the African and Arab nations – Mohammad (600sAD). Yes, Mohammad was trained by the Catholic writings and a few other high-level Catholic leaders to write a pro-Catholic moralistic religion that would rally the peoples of the Arab countries and use them to conquer the obstinate countries that refused to bow the knee to Rome... a plan that only partially worked. But, even today, Mohammad’s Catholic-offshoot religion “islam” still controls the Arabs, thanks to the Catholic and Jesuit leaders and the Muslim leaders who preach it regularly. Islam was created by the Vatican and is still controlled by the Vatican – it is nothing like the Bible, and neither is Vaticanism/Catholicism. Remember, when it comes to Rome and her agents, they only use religion to control the people and to get their money.

So, that leads us back to the great Catholic religious leaders topic. *In the 1200s*, there were at least 3 notable Catholic false teachers whose works are still quoted today by those who revere Rome (Protestant and Catholic) – Francis of Assisi (founder of the Franciscan order, Catholic), Dominic (founder of the Dominican order and “father” of the twisted “Inquisition” methods, Catholic), and Thomas Aquinas – who is quoted as one of their best “theologians”. The problem with the Vatican and her systems and orders, is that they are the rulers of mythologies and ancient occult secrets – they don’t know God, but they use the word “theology” which literally means the study of God. But, because Rome (just like the spirits that inspire her leaders) rejects God, they replace the Only Creator and Judge with something that tolerates and excuses the sins and perversions of wicked men – that’s called idolatry, and Rome does it the max.

The problem for Rome in the 1300s up until the 1500s, is just that – the people revolted against the tyranny of Rome and her so-called “religious” teachings. Rome’s grip on Europe was starting to crack, and, torturing and mass-murdering the “dissenters” wasn’t working. Then God opened a door they didn’t quite expect and they

couldn't control – the so-called “Protestant Reformation”. Everyone seems to quote the 1517 date for this, but the movement of honest followers of Jesus standing against Rome and her vile ways and teachings had been growing for centuries. But, yes it had reached an intensity in the 1500s. And with all of the Christians in Europe and abroad praying desperately for relief and for the Bible in their own hands – God gave it to them. Though controlled by “experts”, the Bible was finally translated into German, English and a few other languages around the 1500s. Rome had just lost one of her major tools for controlling the citizens. They needed a “hero” who could once again get everyone back under their thumb. And they found one – Iñigo “Ignatius” Loyola.

Ignatius Loyola was born in Spain, and born into the Basque family, Spanish/French royalty. Loyola was sent off to war between Spain and France. While in battle, a cannonball randomly hit his leg, shattering his knee. His bones were reset, but done poorly. So, they had to break that joint and try again... and then again. After 3 times of getting the bones set wrongly, it's needless to say, this major injury never healed and gave him pain and trouble, and a limp. But, with a smart young mind used for evil, he used the time he spent resting and healing to study the two books he had available – a Catholic teaching on the life of Christ, and a book on the lists of Vatican “heroes”, or “saints”. From his readings and the demonic visions he was getting, Loyola decided to make this a personal will-drive to hone his personal skills and endurance, even inflicting pain to increase his inner strength. He studied in Spain and eventually France, where he founded Jesuit-ism, with the help of . Loyola wrote a variety of documents, including something he called the “Spiritual Exercises”, which is a study on how to hone your actions to look spiritual while secretly hating God and hating the consequences of sin that are used by God to lead people to repentance and to turn people away from sin toward Jesus and the Bible (Romans 1; Hebrews 12).

Loyola then started teaching to several of his closest friends (“St. Xavier” included) about his plans to look moral without repentance, and over time others joined their discussion. Rome heard about the new movement and brought Loyola in for questioning. After realizing that Loyola wasn't creating a rebellion *against* them, but could be used to train an army *for* them, they made an agreement for Ignatius to keep teaching – with Rome's blessing. Thus in 1540, the Society of Jesuits was founded. There are 4 or 5 levels of those with Jesuit training: **1)** Jesuit patriarchy (interfaith dialogue top-leaders, including the “pope” and his cardinals), **2)** Jesuit leaders/brothers – both “Protestant” and “Catholic” (archbishops, bishops, national-leaders, etc), **3)** Jesuit “priests”, **4)** Jesuits agents/non-Jesuit “priests”, pastors (USJ), **5)** Jesuit pupils/disciples/saboteurs/assets (novices).

So, Loyola got the official blessing of the “pope” in 1540 to start this new group or “Society of Jesuits” (they call themselves “Society of Jesus, but they hate and reject Jesus, so the name is inaccurate)., By 1556, there were said to be a thousand official Society of Jesuit members – most of whom were involved in 46 colleges. As his new Jesuit mafia grew and with the help of “pope” Gregory XIII, Loyola founded a main teaching headquarters in Rome, Italy, called the “Collegio Romano” or Roman College. This famous Jesuit College in Rome was used as headquarters for the Jesuit fraternity to facilitate and equip the Jesuit teaching hubs in Paris as well as other cities in France and Spain, and internationally. Loyola died in Rome at the age of 64, in 1556 AD.

Today, in 2019, there are about 190 known Jesuit colleges and universities around the globe, and about 380 Jesuit “secondary schools” – meaning K5 through 12th grade. That doesn't even list the USJ or unofficial and/or hidden Jesuit colleges, universities, seminaries and secondary-schools. In the US, alone, there are **28 SJO** (Official Society of Jesuits) colleges and universities, and at least **87 USJ** (or unofficial Society of Jesuits) colleges, universities and seminaries in the US. There are also **32 OSJ** (Official Society of Jesuits) “Retreat Centers” in the US, and at least **38 USJ** (unofficial Society of Jesuits) “Retreat Centers” in the US. You can see the numbers and locations for yourself in our lists (new research).

The official Jesuit oath tells the most about them in the shortest of words. The blood oath and ceremony they go through is long, but here is a short clip of their oath.

[Warning - it's graphic, we're sorry. We are only quoting a short part of it. They do literally say this and yes they are that evil - it's awful... but it's them.]This is only a short clip that they pretend is part of an "ancient old out-dated oath", but we and others have been able to prove that "official story" line is a lie - simply put, this is not the old Jesuit oath, this is the active official Jesuit oath. "... ***I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do so... and that I will hang, waste, boil, flay, strangle and bury alive... rip up the stomachs and wombs of their women and crush their infants' heads against the walls... That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulation cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons... at any time I may be directed to do by any agent of the Pope...***" (see more from helpful sources, like www.BibleBelievers.com, etc.)

>> Quick notes on that satanic "oath": when they say "protestants", they mean that they wish/want to murder all of those who reject the one-world rule of the Roman Catholic church (Vatican), and/or reject the control of the Vatican. Notice that they say that they will do these evil things "**when directed to do so**", meaning the agents of Rome (aka Jesuits, and/or their Jesuit-trained helpers) are working on what Rome wants them to do at that given time. Rome has a progression of plan to destroy the world and bring it under her rule again, it just takes time so that they can do it sneakily and not get caught - but God (Holy Spirit) promised in 2nd Timothy 3:8-9 to expose their evil deeds and make them plain to the common people, just as Jesus also teaches in John 3:16-21. Jesuits rely on your lack of knowledge of the Word of God (Bible) and your lack of knowledge about their evil plans, and/or your lack of strength of character to stand on the Word of God against their evil deeds, schemes, tricks and cover-up stories. The best way to combat the evil satanic agendas is to grow in holiness, stay spiritually alert, grow in spiritual discernment, watch out for those who flatter you with some sort of hidden agenda, and expose the evils and sins that you can - from God's Word, not quoting the teachings of man.

The Jesuits have infiltrated (or really invaded) every Christian organization in the US – that includes churches, Christian schools, Christian colleges, Christian seminaries, and the largest Christian “ministry” organizations. In 1975, the Jesuits boasted that they had infiltrated and conquered all mission organizations as well as the world religions, including all of the denominations of “Christianity”, and of course the cults. When you find a Jesuit person (man or lady) at a college or church or authority positions, just understand that they are the top evil leader in that organization or college or university, etc. If you find a Jesuit college, they rule the other colleges around them – in a variety of ways. If you find an unofficial Jesuit college, they control the other colleges around them (and/or in their denomination) not openly, but in secret. At the top of the Catholic colleges is the "Catholic University of America", a **USJ** (unofficial Society of Jesuits) college. The “Catholic University of America is the only one with the distinction of having had the visit from 3 "popes" (aka Jesuits, whether known to the public or not) – who visited and spoke there. This university is the secret Jesuit leader of education in the US. The fact that they try to hide their status in the Catholic rankings is typical of the Jesuits, because as you just read above, about 95% of the actual Jesuits will intentionally hide their identity, and use that secrecy to protect their "brothers", even lying in a court of law and under “oath”. The Jesuits pride themselves as being the pope's "marines" and "the company" (their own words). Yep, their conspiracy against the world is that mean and that abusive and that dangerous. No wonder over 83 countries and city-states have openly rejected + thrown out + banned Jesuits from being allowed in their territory.

Whenever you see Jesuits at work around you, or their agents, pray against every evil project, teaching, and association they have. Asking God to scatter their evil and allow the consequences to catch up to them is the best thing you can do for you, your family, your community and your country. Also, where you can, call out the evils you see – and always beware of their distraction tools, like their favorite “divide and conquer” or their second favorite: “false flag to blame their evils on someone else”.
