

Who is Mark Jobe? Jesuit “Change Agent”.

Hello brothers and sisters in Christ, fellow prayer partners, and friends,

In case you hadn't heard, MBI (Moody Bible Institute) has a new president... but that's not a good thing, at all. You see, the person they brought in is a Jesuit "change agent". His name is Mark Jobe, and he brings his wife and 3 college-age children to the mix at Moody. The problem shows up very well, though in his picture that you see in the banner above - "agents of change", as well as his (and the Jesuits') satanic boast to "unleash Heaven on Earth" pretending it's God's Kingdom – those are both visuals made by Mark Jobe and team. But, that's just the start of the alarm bells. First some links, and then some research that fills in what we need to pray against so it doesn't completely destroy what God used DL Moody to build.

If you want to see some of the evil Mark Jobe has been doing, please read our previous articles as well as the quotes and analysis throughout this article.

> **Mark Jobe, the short report** - <https://www.restorembi.com/Mark-Jobe-Short-Report.htm>

Or, the extended report, here:

Also, here in this article, we reference the research in several other articles we published:

Even though the top Jesuit leadership at MBI had picked Mark Jobe to be the 10th president of Moody... they kept it low-key with minimal fanfare up for a whole 8 months, until about 1 month before the year's graduates would be graduating, April 5, 2019, and they all had pressure from writing research papers and prep for final exams. Sadly, most of the alumni and prayer partners of MBI don't know who Mark is (yet), but we're praying that changes soon, and these articles should help with that. To help sound the alarm, we have written 2 articles

on Mark Jobe (links at top and bottom of this article), and this is our third article on the mystery man (Jobe) who was quietly moved in as the 10th president of Moody Bible Institute, and who seeks to undo everything DL Moody established by covenant with God. First, let's look at his public lines about himself, and then look at some of what he's actually doing – and been doing for 32 years, by his own admission.

*"New Life Centers was founded by the **New Life Community Church**, a multi-site church operating at 20 sites throughout Chicagoland and internationally. Founded in 1986 as an 18-member church in Chicago's Back of the Yards neighborhood, New Life (Nueva Vida) still exists under its founding pastor, Pastor **Mark Jobe**... Within this vision are planned 40 new church locations in Chicagoland and 10 new locations internationally..."*

*"... Mark is also the founder of **New Life Centers**, an organization focused on helping youth in underserved areas of Chicago. He holds a Masters degree from Moody Theological Seminary and a Doctorate degree from Bakke Graduate University. Mark is the author of "**UNSTUCK: Out of Your Cave, and Into Your Call**" and can be heard daily on his national radio program called **Bold Steps**."*

*** __ ***

That is the story that he and his high-level Jesuit friends want you to see. But, did you notice that he did admit to being trained in Jesuit Spain (admits it in his stories too), and that he is a graduate of the Jesuit/Lausanne "Bakke Graduate University"? The Jesuits in Lausanne, Switzerland are not low level at all - they are at the top of the 666 Vatican one-world-religion training. They are some of the highest levels of Jesuits in the world. And their so-called "training" would get anyone gullible enough

to join satan, to be ready to be a "world-changer", or as they like to say "change agents".

So, what is this "Kingdom" that Mark Jobe talks about it? Is it the same one as the Bible talks about? No, it's not! What the Jesuits call "Kingdom" is quite the opposite of what Jesus teaches about and is building (Matthew 16:18). You see, satanists must sound like us to get us to follow them. They study to know how to use Christian words with alternative/and demonic meanings, and unless you are critically analyzing their teachings and comparing all of

their words tightly with the Bible, you will completely miss it and be fooled by their clever tactics and deceitful wording. Check out that picture above.

Picture info: That picture is taken from one of Mark Jobe's blogs and the t-shirt in the picture has Mark's "New Life Community Church" logo. Mark Jobe is caught red-handed pushing the Vatican/Jesuit one-world-takeover lies for Satan. The "Kingdom come" there is also called "7 Mountain Dominionism". So, when he says "King Jesus" (in his inauguration speech, etc), he's talking about the "pope" in Rome who pretends to be the replacement of Christ here on earth (as we showed you from the Vatican's own catechism in our article on the Jesuit's false gospels). Mark is not at all talking about the Living King of Kings and Lord of Lords, Jesus the Christ. And that's why Mark preaches Jesuit super-hero mythology (*you can become a "god", and/or a "superhero"*) and "contemplative prayer" (Jesuit "*exercises*" and "*examen*"), etc. Mark, and the team that swiftly and secretly moved him into MBI, is/are serving another spirit - not God.

- <https://www.RestoreMBI.com/the-Jesuits.htm>
- <https://www.RestoreMBI.com/beware-examen.htm>
- <https://www.incpu.org/beware-SJ-gospel.htm>

What is "7 Mountain Dominionism"? Good question. It is the religion of all of the so-called "Christian leaders" who say they "believe in Jesus" but their actions don't agree. That is why the Jesuit "superhero mythology" is so vital for them – they have to get as many people to fall for Satan's original lie that we can become like God, and not have to submit to God.

Who founded it? Jesuit/Lausanne trained Loren Cunningham founder (in Lausanne) of the worldwide "relief" movement called YWAM, and Jesuit-trained Bill Bright, founder of Campus Crusade (now called Cru); and Francis Schaeffer confirmed and partnered with that team, and was one of their major writers. All 3 of them also worked with Jesuit Billy Graham to spread their "new" false gospel that helped people of all nations and religions find the "best light" in their false religions and tried to keep them stuck with their false "gods" and idols and traditions.

Billy Graham said it this way: *"I think everybody that loves Christ, or knows Christ, whether they're conscious of it or not, they're members of the Body of Christ. And I don't think that we're going to see a great sweeping revival, that will turn the whole world to Christ at any time. I think James answered that, the Apostle James in the first council in Jerusalem, when he said that God's purpose for this age is to call out a people for His name. And that's what God is doing today, He's calling people out of the world for His name, whether they come from the Muslim world, or the Buddhist world, or the Christian world or the non-believing world, they are members of the Body of Christ because they've been called by God. They may not even know the name of Jesus but they know in their hearts that they need something that they don't have, and they turn to the only light that they have, and I think that they are saved, and that they're going to be with us in heaven."*

"There's a wideness in God's mercy..." That sounds like the title of a blasphemous hymn too. For sure it is, but it's wrong and very anti-Biblical. Jesus answered this false teaching very plainly, and Billy could quote it, but he doesn't believe it. **"Jesus said to him, 'I AM the Way, the Truth, and the Life. No one comes to the Father except through Me.'" (John 14:6)** Jesus also said: **"13 'Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. 14 Because narrow is the gate and difficult is the way which leads to life, and there are few who find it... 21 Not everyone who says to Me, 'Lord, Lord,' shall enter the Kingdom of Heaven, but he who does the will of My Father in Heaven. 22 Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' 23 And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'" (Matthew 7:13-14, 21-23)** God says of Jesus: **"... 4 who desires all men to be saved and to come to the knowledge of the truth. 5 For there is one God and one Mediator between God and men, the Man Christ Jesus, 6 who gave Himself a ransom for all, to be testified in due time..." (1st Timothy 2:4-6)**

You can read more about the false gospels and false teachings of the Jesuits in several of our articles

- > **Who are the Jesuits?** <https://www.RestoreMBI.com/the-Jesuits.htm>
- > **Beware the Jesuit prayers** - <https://www.RestoreMBI.com/beware-examen.htm>

. That's helping all peoples find something else to believe in other than God who created the world and wrote the Bible for us to know who Jesus is and Jesus' teachings and explanations on repentance and how to be genuinely saved, and not a false convert who is living like the world and self-deceived.

> **We explain this topic in a lot more detail in our two articles**

- <https://www.RestoreMBI.com/the-Jesuits.htm>
- <https://www.incpu.org/beware-SJ-gospel.htm>

What are its core teachings? To train up a body of religion-looking people to set up a one-world "dominion" that conquers the seven imaginary/allegorical "mountains": Government, Family, Economy, Religion, Education, Media, and Entertainment. Simply put, if you want to know who ultimately runs things – look at Rome/Vatican and her Jesuit partners, and all of the so-called world-run organizations, and see who they control and partner with. It's a huge tangled web of lies, false promises, and ruthless tactics and methods to get and maintain control of the world. Jesus called them out in Revelation 2 through 3 in many ways. But the other key problem with their lie is they are literally messing with Scripture. The Jesuits and false teachers who preach this false gospel are changing God's Word to allegories and symbols and stories, because the 7 mountains are, in context actually the 7 world empires that rose to fight God. **"⁹ Here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits. ¹⁰ There are also seven kings. Five have fallen, one is, and the other has not yet [fully] come. And when he comes, he must continue a short time. ¹¹ And the beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition."** (Revelation 17:9-11). Those seven empires starting from the beginning of time (about 6000 years ago) until now are these: **1) Nimrod/Tower of Babel, 2) Egyptian, 3) Assyrian, 4) Babylonian/Chaldean, 5) Medo-Persian, 6) Greek, 7) Roman, 8) and the Revived Roman empire (of which the antichrist will lead himself) "... himself also the eighth, and is of the seven..."**. The reason only 5 have fallen, was because the Greek Empire was still in action in some areas, and obviously the first of the two-part phase of the Roman Empire was very much in power. The Jesuits are trying to build satan's kingdom – that's why they change Scripture, reducing it to "wise sayings" and "good stories". The Jesuits and leaders who teach these things are condemned under the judgment of James 3 for twisting God's Word to falsely teach it to deceive the people and build satan's kingdom instead of God's Kingdom.

So, how can they all possibly be working together in this? Also a good question. The simple answer is that Rome controls a lot more things than you and I realize, because they are the mass-murderers of the world, ruling by iron fist, or by trickery and bribes and blackmail, which is why the Jesuits are so dangerous – they are constantly working to sneak in and sabotage everything that is good and holy. And the Jesuit agents you see in action all have to go through special training, with many oaths to the devil to become as close to evil as he is. The top leadership in this country is run by "advisors" also called "think-tanks", and they have various names, but the same goal. Some of them sound like teaching schools – "**Brookings Institute**" or "**Cato Institute**" or "**Earth Institute**". Others look "fundamental Christian" – like the UN change agents at "**Heritage Foundation**" and "**Family Research Council**" or the **CNP "Council for National Policy"**. All of these leaders who are allowed to climb the ranks, have to go through Jesuit training – in one form or another, but trained to not get caught by average citizens like you and me... but God. You see, that's where their plan to invade and conquer and raise up an army to fight – fails. Jesus gave a promise in Matthew 16: **"... and on this rock I will build My church, and the gates of Hades shall not prevail against it."** (Matthew 16:18) The church of Jesus the Christ, is called in Greek – the "ekklesia", which simply means "called out ones", meaning the pure-living disciples of Jesus who have the

Holy Spirit gathering to break bread and read the Bible, learn and grow together in it. You rarely find that in the so-called “churches” because they are 501c3 “tax-exempt” corporations with large and/or official buildings and the “state-church” message. If you understand the over two-hundred 501c3 rules, you will understand how these state-churches have died. But, since the 1980s, you will find lots of people gathering in homes for small Bible studies and/or starting home-churches – just like the precedent that Jesus set in the Book of Acts.

There is a lot more to say about the fake Christian leaders that run this country and the training they go through. If you want to know more, here are some resources. If you need more, just ask. In time, this team (and others) plan to write more articles to help the current generation(s) of modern followers of Christ to catch up on satan’s schemes.

Here are some short notes on huge concerns with Mark Jobe.

- > **Mark Jobe - member of Jesuit clergy network**
Mark Jobe is a member of “Father” Dimitri Sala’s so-called “Clergy” network, which is a Franciscan Jesuit network of false teaching “pastors” and Catholic “priests”. Mark has been a member since 2007 of this satanic club of so-called “clergy”, and has worked with and alongside many other well-known false teachers, including: Jesuit Erwin Lutzer, Bill Hybels, James MacDonald, and James Meeks (an MBI trustee). Mark is also a long-time friend of Jesuit-leader Ed Stetzer (Friend of the Jesuits Billy Graham family, and Jesuit leader at Wheaton University). Mark and Ed became friends when Ed was working as Jesuit Regional Director for North America for the Jesuit Lausanne Committee.
- > **Mark’s friend Ed Stetzer and the Jesuit Lausanne network**
Many of you probably already know that Ed Stetzer currently holds the Billy Graham Chair at Wheaton College (USJ - an unofficial Jesuit college). Ed became the replacement for Billy Graham (died 2018). Billy Graham was a key founder of the Jesuit Lausanne Committee that started in Berlin in 1966 (the same year Billy officially became a 33rd degree, honorary mason in Washington DC). Billy Graham then started the Lausanne Movement (with a handful of other Jesuits) in 1974, in Geneva Switzerland. Both the Lausanne Committee and the Lausanne Movement are predecessors of the Jesuit Lausanne Council that Billy Graham was a part of starting back in the mid-1940s, info that the Vatican and the Jesuits have all but scrubbed from most public records.
- > **Mark’s Jesuit education and Ecumenical Drive**
Mark Jobe has his doctorate in “Transformational Leadership for the Global City” from Bakke University - notice the name of his doctorate. Bakke University is a school that is in direct partnership with the high-powered Jesuit Lausanne Council + Lausanne Movement + Lausanne Committee and the satanic collaboration of false religions from across the globe, including

the WEA, World Evangelical Alliance - another Vatican one-world religion project. For the lying and demonic Jesuits, the words “Global City” is a term for using the giant cities/metroplexes that include all of the elements of the 666 New World Order (NWO) by squeezing everyone (or trying to) into a small area, for better control through cell phone towers/ELF-towers and TV (trash vendor) services, mass-propaganda, and eugenics (slow murder, also called “soft-kill” or “culling”).

- **> Jesuit “Global City” agendas explained**

The forced agenda toward a “Global City” setup is essential for the Jesuits and the NWO teams, because they believe it’s necessary to accomplish satan’s highest agenda - to rule the world. The devil can’t be everywhere at one time, he is just a fallen angel, and he isn’t all-powerful. So the devil needs spy technology as many places as possible so that he can get the info he needs for micro-managing people. And, as always, satan is also trying to raise up an army of gullible and rebellious humans to do a final war with God... which satan will partially get *during* the literal 7-year tyranny of the Tribulation. The devil hopes he can win the final battle of Armageddon to escape eternal damnation. The NWO will try every weapon that they have in that fateful war, so satan is constantly trying to get ready for that war. But satan doesn’t have the right/ability to do his 666-NWO Tribulation evils right now during the earth-phase we are in right now - the “Church Age” explained by Jesus and by God through His disciples - See Revelation 2 and 3, and 1st Thessalonians 4, and 2nd Thessalonians 2.

- **> Mark’s long-time Jesuit friend - Edward Burke**

Mark Jobe is a long-time friend of Edward Burke, Chicago’s “Alderman” (Jesuit mafia boss, second only to the mayor). Burke, as you can see, is a very powerful man in the Chicago city government, until he gets arrested and prosecuted for his crimes. Burke had Jesuit training since at least high-school, and then of course through Jesuit Depaul University’s “College of Law”, a USJ college - unofficial Jesuit. Burke is also a long-time member of the Jesuit “Knights of Columbus” (KofC), a Jesuit founded organization to work in partnership with their footsoldiers - the freemasons, (a mystic cult that grew out of the a stone-workers guild of those who were building the Vatican’s cathedrals). Mark Jobe’s long-time friendship with many high-level Jesuits (even ignoring their crimes). Those evidences shows you that Mark Jobe is quite comfortable standing side-by-side with these dozen highest level prominent Jesuits in Chicago, including the prominent Catholic “Leaders” of the altered “Pro-Life” agenda (proven by Mark joining them at their “March for Life” 2015 event).

- **> Mark and the Deceptive Jesuit one-world religion curriculum “Explore God”**

Mark Jobe both used and promoted the 2019 “Explore God” movement, a merge-all-religions (or “interfaith” as they call it) program and curriculum. Mark joined the over 800 so-called “churches” in the Chicago area promoting and using a curriculum that is literally pro-Islamic (pretends that Mohammad is a prophet like Jesus), pro-Buddhist, and pro-Vatican myths and lies. Mark Jobe is also a prominent spokesperson for “observing 40 days of fasting” (Catholic holy-day called “Lent”) - the 40 days leading up to remembering of Jesus’ death, burial, resurrection, and ascension into Heaven. And instead of celebrating the Biblical feast of Passover and Resurrection Day, Mark celebrates “Easter” based on the fertility “goddess” Ishtar, and the 40 days of “weeping for Tammuz” that the Vatican borrowed from false teachers among the Jewish people, thousands of years ago. Mark has been celebrating these pagan traditions publicly and promoting them since 1994.

- **> Mark’s love of and promotion of Catholicism**

Mark’s childhood and training is equally interesting (or more like alarming and troubling). Mark was raised in Jesuit Spain and heavily Vatican-ized Costa Rica (Catholicism is the official state religion), as a “missionary” son in a (secretly) Catholic family. Mark admits that he is also very proud and fond of when people call him “Father Mark” and when people thank him for the “Mass”, which by itself shows that he doesn’t believe the Bible at all - he’s a secret Vatican-Jesuit agent. So, as you can see, Mark Jobe is an interfaith and ecumenical Jesuit-Vatican leader. Ecumenical means Mark is secretly working to make all religions look similar

so the Jesuits can one day do a one-world religion. And Mark is also working (with many other secret Jesuit leaders) to erode and reduce the teachings of the Bible and get Protestant leaders to do the same. And, at Moody (MBI), he is now the Vatican-Jesuit's change-agent to try to destroy them as much as he can from the inside, and get them to be forced to become okay with the myriad of lies the Vatican and her so-called "popes", and their countless idolatries and myths and heresies.

- **> *The blessing of a "pope" and Lutzer's Jesuit training***
Speaking of "popes", most people don't realize how much Rome is fighting honest Bible Institutes like MBI (Moody Bible Institute). In 1978 (or 1979), "pope" John Paul II tried to curse Moody (MBI) by standing at the intersection of Chicago Ave and LaSalle Blvd, the corner where the Moody Bookstore and the Life Way Bookstore was until it was shut down this year. From that very corner, the so-called "pope" pronounced a "blessing" on Moody, claiming that land and property for himself and Rome/Vatican, and with a curse to shut down MBI's honest Bible teaching. Christians oppose Rome for all of her crimes for the last 1700 years. The year of 1978 was the same year that Erwin Lutzer finished his doctorate studies at the openly Jesuit Loyola University of Chicago. Lutzer would, shortly afterwards, become the "senior pastor" of Moody Memorial Church with a Jesuit-trained Doctorate of Philosophy - Jesuit mythology. Lutzer is a skilled wordsmith, with many double-meanings in what he says and it shows up in what he does that contradicts what he says. The so-called "pope" knew they had their man to run (and try to ruin) Moody Church, and indirectly, MBI too.
- **> *Edward Burke - Jesuit spiritual mafia leader in Chicago***
On the same topic, you remember what we accounted to you about Edward Burke becoming a high-level Jesuit and mafia boss in Chicago? Burke right now is the "alderman" of the city - second in power to the city mayor. Well in 2018, Burke publicly changed the record of the "Great Chicago Fire" to exonerate the Jesuits and Catholics and blame anti-Catholics, which is a new lie - but it's also a "tell", a satanist admitting that the previously repeated "official story" about O'Leary's fabled cow kicking over a lantern was a lie.
- ***Jesuit boast for the world Rome to rule from Chicago/DC (and other prominent cities)***
Back to Mark Jobe's friend, Edward Burke. Additionally, Burke attended that Jesuit high-school in Chicago that we mentioned above. And the Jesuit Archbishop Rigley who founded that Jesuit high-school (that Burke was trained at) boasted that 20 years from that date (1903), Rome was going to rule the world through America, a man-made boast that he ended with a threat to anyone (politician, clergy, or citizen) who would oppose this plan/scheme of the devil. God calls that a demonic boast, which is something God fights - especially when honest Christians cry out against it in prayer. So satan and the "pope" and his minions can scream for their will to be done here on earth (Kingdom Dominionism), but Jesus' words stand - theirs don't. **"18 And I also say to you... on this Rock [Cornerstone] I will build My church, and the gates of Hades shall not prevail against it."** (Matthew 16:18)
- **> *Review: Jesuits burned YMCA Farwell Hall (1867), started Great Chicago Fire (1871)***
You see, the truth is that the Jesuits burned down DL Moody's YMCA Farwell Hall in 1967. Then when Moody didn't get the hint and obey their deadly threat, the Jesuits started the Chicago fire in the summer of 1871 (just 4 years later), with the public lie that it was started in the barn of an Irish-Catholic farmer (O'Leary), but blamed on the cow accidentally knocking over a lamp. Burke's newest version of the lie is that it was started by the known thief and criminal next door to that Irish-Catholic family, because he supposedly "hated Catholics". The "how" he did it, according to Burke's newest lie, and here is the most laughable/outrageous part of the lie - the criminal was in the next-door neighbor's barn to get some milk, and accidentally knocked over an oil lamp with the pipe in his mouth, that then started the fire. Not possible - it's a lie... and not a very clever one either. But, what Jesuit Burke is attempting to do is change the public record to play up sympathy for the Jesuits, and try to cover up the distraction to cover up previous Vatican/Jesuit scandals in Chicago (see Chiniquy's **"50 Years in the Church of Rome"**, 1809 to 1899). Chiniquy and

Moody would have known each other (DL Moody - 1837-1899). We have written evidence that Moody was trying to get proof that the Vatican and Jesuits burned Chicago to stop the Christian movement, and to launch the Jesuit+Vatican agendas at the Chicago's World Fair.

- **>>> Quick review of key last dates and history in DL Moody's life:**
 - Jesuits burned the Farwell Hall (YMCA) in 1967
 - Jesuits paid a known criminal and thief to start the Chicago Fire in 1971
 - (With God's leading) Moody led evangelism meetings all over England, Ireland and Scotland. Dates: 1872-1875
 - Moody came back to America and led evangelism meetings and revival here in the US, in such cities as: Baltimore, Burlington, Cleveland, Cincinnati, Hartford, Manchester, New Haven, Providence, St. Louis, Denver, San Francisco, Richmond, and Springfield. Dates: 1875-1879.
 - Moody was then back and forth between the English Isles (Britain, Ireland, Scotland) and America. Dates: 1880
 - Annual Bible-training meetings (a conference of sorts) at Northfield. Dates: 1881-1890s (at least).
 - Along the way, Moody started to figure out that the Jesuits and Masons were his silent enemy, thanks to those exposing the lies of Rome and her Jesuits, including Chiniquy, a former Chicago Catholic priest whose main influence and renown was in the Chicago area. Chiniquy was known for preaching against the ills and destructiveness to health and families due to alcohol and drunkenness, and lives were radically changed because people (even priests) abandoned the bottles, in America and Canada.
 - Spurgeon (a friend and correspondent of Moody) dies, and Moody grieves. Date: February 1892.
 - God gives him a brief time of rest - about 2 months in the Holy Land and Europe. Moody joins friends and family to see the Holy Land. Moody also preaches in quite a few places in those areas. Date: 1892
 - Moody was considering slowing down on his work, but God argues with Moody to do evangelism at the World Fair and to continue the work God has led him to (steamboat incident). Date: 1892.
 - Moody trusted God and prays and plans for how to reach the many international people coming to Chicago for the World's Fair. Date: 1893.
 - These notes are reasons to believe that Moody and Chiniquy were poisoned by a Jesuit doctor, as described in the Jesuit oath - "**poison cup**".
 - Moody stayed faithful to God's call on his life until he died a very exhausted, but honorable servant of Christ in 1899.

The dates and info you just read are drawn from the most honest biography we have found on Moody. And there is much more to read about Moody's life and God's work through him, and you can find it in the biography written by his son, Will, in a book called: "**The Life of DL Moody by his son**" (Will Moody), with subtitles "Built schools for thousands" and "Preached to Millions". ISBN-13: 978-1-935923-12-1, Conjurske Publications.

The more-widely known autobiography, slicks past quite a few important spiritual details, but is also pretty good. "**A life - DL Moody**", with subtitles: "Innovator, Evangelist, World-changer" by Kevin Belmonte, Moody Publishers. ISBN-13: 978-0-8024-1204-1; ISBN-10: 0-8024-1204-1. Belmonte's work is also in audio-book form.

>> If you want to find out true history instead of the stuff rewritten by Jesuits, look up the honest history of the mass-murders of Christians and the burnings of Bibles that the Vatican and her agents have done since the 300s. You can find some of that info, here:

There are a lot more concerns to mention, and you can find 4 pages of quick notes and other major concerns about Mark, his activities, and his partners and agendas in the short report we published 2 months ago, and the longer version has much more.
