Hello fellow followers of Christ and prayer partners,

This is a **#RedAlert**. What you are about to see is #written #proof from #Catholic #quotes of a very large #conspiracy. The #Vatican has planned to take over the #United #States of #America and #rule it, and the #world through the USA. And they plan to ruin it like they did to #Europe. And the Catholic leaders say they must kill/murder those who reject or oppose their #lawyers and “#doctrines”. #Chiniquy risked his life to tell you what they said, and yes they killed/murdered him for exposing their evil and crimes. But each of us can stop them. Watch for anyone who got Catholic or Jesuit training and oppose everything they do. Starting with the Catholic/Jesuit Supreme Court, and Jesuit Donald Trump, and including the Senate and House representatives, and all of their lawyers. Their Catholic or Jesuit training helps them look like us and sound like us, while they destroy good things from their inside positions.

A man named Charles Chiniquy, was a contemporary of DL Moody and later became a friend of DL Moody and of Abraham Lincoln. Chiniquy was a Vatican “priest” for 50 years, but turned against the Vatican after the start of the USA Civil War. Chiniquy kept clashing against the leadership until God helped him to finally see that he needed to leave the Vatican system. Mr. Chiniquy came out of the “church” of Rome, and spent careful time to collect the quotes to warn everyone that he could about how evil the Vatican is. He was murdered for informing others of the Vatican’s past crimes and their future murderous takeover plans.

But, don’t take our word for it – read their words. Below you will see the quotes of Jesuit and Catholic leaders, as well as influential people warning about Rome’s evil deeds and decrees. There are several sections and categories of quotes below, each with a short title header and a few words of description.

After you see this, please take copies of it and share it with your friends. You have our permission – it’s free.

Jesuit & Catholic leaders – in their own words

Written Proof: Vatican/Jesuit conspiracy against USA + world

> *New York Freeman, the official journal of Bishop Hughes, Jan 26, 1852*

"No man has a right to choose his religion."

> *Catholic World, April 1870*

"The Church [Vatican]... does not and cannot accept, or in any degree favor, liberty in the Protestant sense of liberty."

> *Catholic World, July 1870*

"The Catholic Church is the medium and channel through which the will of God is expressed. While the state has rights, she has them only in virtue and by permission of the Superior Authority [of the Vatican] and that authority can be expressed only through the Church [Vatican]."

> *Catholic Review, June 1875*

"Protestantism has not, and never can have, any right where Catholicity has triumphed."

> *Right Reverend O'Connor, Bishop of Pittsburgh*

"Religious Liberty is merely endured until the opposite can be carried into effect without peril to the Catholic Church [Vatican]"

> *Father Hecker, Catholic World, July 1870*

"There is, ere long, to be a state religion in this country [United States], and that state religion is to be the Roman Catholic."

1st. The Roman Catholic is to wield his vote for the purpose of securing Catholic ascendancy in this country.

2nd. All legislation must be governed by the will of God [Vatican's will], unerringly indicated by the pope.

3rd. Education must be controlled by Catholic authorities, and under education the opinions of the individual and the utterance of the press are included, and many opinions are to be forbidden by the secular arm, under the authority of the Church [Vatican], even to war and bloodshed."

> *Cardinal Manning, Tablet, October 9, 1864*

"I acknowledge no civil power; I am the subject of no prince, and I claim more than this. I claim to be the supreme judge and director of the conscience of men – of the peasants that till the fields, and of the prince that sits upon the throne; of the household that lives in the shade of privacy, and the legislator who makes laws for kingdoms – I am sole, last, supreme judge of what is right and wrong. Moreover, we declare, affirm, define, and pronounce it to be necessary to salvation to every human creature to be subject to the Roman Pontiff [pope]."

> *Brownson's Review, May 1864*

"Undoubtedly it is the intention of the pope to possess this country. In this intention he is aided by the Jesuits and all the Catholic prelates and priests."

> *Boston Pilot, official journal of the Catholic Bishop*

"No good government can exist without religion, and there can be no religion without an Inquisition, which is wisely designed for the promotion and protection of the true faith [Vatican/Catholic]."

> *Brownson's Review, June 1851*

"The power of the Church [Vatican] exercised over sovereigns in the Middle Ages was not a usurpation, was not derived from the concession of princes or the consent of the people, but was and is held by divine right,

and whoso resists it rebels against King of Kings and Lord of Lords [the Vatican's "pope" is satan's counterfeit]."

> *The Council of Constance, 1414*

"That any person who has promised security to heretics shall not be obliged to keep his promise, by whatever he may be engaged." Under that ruling, John Huss was murdered by the Vatican leaders, even though the Emperor had given him safe transport.

> *Roman Catholic Chief-Justice Taney, in his Dred Scot Decision*

"Negroes have no rights which the white man is bound to respect."

> *Castelar, Spanish Catholic orator, speaking of/for his "church" of Rome, 1869*

"There is not a single progressive principle that has not been cursed by the Catholic Church. This is true of England and Germany, as well as all Catholic countries. The Church cursed the French Revolution, the Belgian Constitution, and the Italian Independence. Not a constitution has been born, not a step of progress made, not a solitary reform effected, which has not been under terrific anathemas of the Church."

> Source: *"Fifty Years in the "Church" of Rome"*, Charles Chiniquy, page 285

> *"The Shepherd of the Valley", official journal of the Bishop of St. Louis, November 23, 1851*

"The Church [Vatican] is of necessity intolerant. Heresy she endures when and where she must, but she hates it and directs all her energies to destroy it."

> *Tamburini, General of the Jesuits*

"See, sir, from this chamber, I govern, not only to Paris, but to China; not only to China, but to all the world, without anyone knowing how I do it."

> *Busenbaum in Lacroix, Theologia Moralis, 1757*

"A man who has been excommunicated by the Pope may be killed anywhere."

> *Saint Liguori, the Nun Sanctified*

"If then, you receive a command from one who holds the place of God, you should observe it as if it came from God Himself. It may be added that there is more certainty of doing the will of God by obedience to our superiors than by obedience to Jesus Christ, should He appear in person and give His commands."

> *Rambler, one of the most prominent Catholic papers of England, September 1851*

"You ask if the Pope were lord over this land [England] and you were in the minority, what he would do to you? That, we say, would entirely depend on the circumstances. If it would benefit the cause of Catholicism, he would tolerate you; if expedient, he would imprison, banish you, probably might even hang you. But be assured of one thing, he would never tolerate you for the sake of your glorious principles of civil and religious liberty."

> *Pope Pius IX, the Allocution [formal speech given], September 1851*

"The Catholic religion, with all its votes, ought to be exclusively dominant in such sort that every other worship shall be banished and interdicted [destroyed, murdered]."

> *Pope Pius VII, Encyclical, 1808*

"It was proposed that all religious persuasions should be free and their worship publicly exercised. But we have rejected this article as contrary to the canons and councils of the first Catholic Church [Vatican]."

> Charles Chiniquy, former 50-year Catholic priest, clashed with them, until they drove him out, then he exposed their crimes until they murdered him in 1899. Chiniquy goes on to explain:

“One of the first and most solemn acts of the present Pope, Leo XIII, was to order that the theology of Thomas Aquinas be taught in all colleges, seminaries, and universities of the Church of Rome, as the most accurate teaching of the doctrines of his Church [Vatican]. On the 30th of December, 1880, I [Chiniquy] forced the Right Reverend Foley, Bishop of Chicago, to translate from Latin into English, before the court of Kankakee, and to swear that the following law was among those promulgated by St. Thomas as one of the present and unchangeable laws of the Church of Rome.

“Though heretics must not be tolerated because they deserve it, we must bear with them, till, by a second admonition, they may be brought back to the faith of the Church [Vatican]. But those who, after a second admonition, remain obstinate in their errors, must not only be excommunicated, but they must be delivered to the secular power to be exterminated.’ (St Thomas Aquinas, Summa Theologia, Vol iv, p 90)

“After the bishop had sworn that this was the true doctrine of the Church of Rome expressed by St. Thomas, and taught in all the colleges, seminaries, and universities of the Church of Rome, I [Chiniquy] forced him to declare, under oath, that he, and every priest of Rome, once a year, under pain of eternal damnation, is obliged to say, in the presence of God, in his Breviarium (his official prayer book), that that doctrine was so good and holy, that every word of it has been inspired by the Holy Ghost to St. Thomas.

“That same bishop was again forced by me [Chiniquy], before the same court of Kankakee, to translate from Latin into English, the following decree of the Council of Lateran, and to acknowledge under oath, that it was as much the law of the Church of Rome today as the year it was passed in 1215.

“We excommunicate and anathemize [curse] every heresy that exalts itself against the holy orthodox and Catholic faith [Vatican], condemning all heretics, by whatever name they may be known, for though their faces differ, they are tied together by their tails. Such [Those who are] as are condemned are to be delivered over to the existing secular powers to receive due punishment. If [they are] laymen, their goods must be confiscated. If [they are] priests, they shall be degraded from their respective orders, and their property applied to the church in which they officiated. Secular powers of all ranks and degrees are to be warned, induced, and, if necessary, compelled by ecclesiastical censure, to swear that they will exert themselves to the utmost in the defense of the faith [Vatican/Catholicism], and extirpate [root out/destroy completely] all heretics denounced by the Church [Vatican], who shall be found in their territories. And whenever any person shall assume government, whether it be spiritual or temporal [govt office, he shall be bound to abide by this decree...’

‘Catholics shall assume the cross for the extermination of heretics, [and] shall assume indulgence and be protected by the same privileges as are granted to those who go to the help of the Holy Land...’

‘We decree further that all those who have dealings with heretics, and especially such as receive, defend, and encourage them, shall be excommunicated. [A Vatican-condemned heretic] He shall not be eligible to any public office. He shall not be admitted as a witness. He shall neither have the power to bequeath his property by [a] will, nor succeed to any inheritance. He shall not bring any action against any person, but anyone can bring action against him.’

‘Should he be a judge, his decisions shall have no force, nor shall any cause be brought before him. Should he be an advocate, he shall not be allowed to plead [for someone in a legal court of law]. Should he be a lawyer, no instrument made by him shall be held valid, but shall be condemned with the authors...’”

Chiniquy continues on page 290:

“Those anti-social laws, today, are written on her [Rome’s] banners with the blood of ten millions of martyrs. It is under those bloody banners that 6,000 Roman Catholic priests, Jesuits and bishops, in the United States, are marching to the conquest of this republic, backed by their seven millions of blind and obedient slaves.

Written Proof: Vatican/Jesuit conspiracy against USA + world

“Those laws, which are still the ruling laws of Rome, were the main cause of the last rebellion of the Southern States.

“Yes! Without Romanism, the last awful Civil War would have been impossible. Jeff Davis would never have dared to attack the North, had he not had the assurance from the Pope, that the Jesuits, the bishops, the priests, and the whole people of the Church of Rome [Vatican] under the name and mask of democracy, would help him.

“These diabolical and anti-social laws of Rome cause a Roman Catholic (Beauregard) to be the man chosen to fire the first gun at Fort Sumter, against the flag of Liberty, on the 12th of April, 1861. Those anti-Christian and anti-social laws caused the Pope of Rome to be the only crowned prince in the whole world, so depraved as to publicly shake hands with Jeff Davis, and proclaim him president of a legitimate government.

“These are the laws which led the assassins of Abraham Lincoln to the house of a rabid Roman Catholic woman, Mary Surratt, which was not only the rendezvous of the priests of Washington, but the very dwelling-house of some of them.

“Those bloody and infernal laws of Rome nerved the arm of the Roman Catholic, Booth, when he slaughtered one of the noblest men God has ever given to the world.

“Those bloody and anti-social laws of Rome, after having covered Europe with ruins, tears, and blood for ten centuries, have crossed the oceans to continue their work of slavery and desolation, blood and tears, ignorance and demoralization on this continent. Under the mask and name of democracy they have raised the standard [flag] or rebellion of the South against the North, and caused more than half a million of the most heroic sons of America to fall on the fields of carnage.

“In a very near future, if God does not miraculously prevent it, those laws of [Rome’s] dark deeds and blood[shed] will cause the prosperity, the rights, the education, and the liberties of this too confident nation to be buried under a mountain of smoking and bloody ruins. On top of that mountain, Rome will raise her throne and plant her victorious banners.

“Then she [Rome] will sing her ‘Te Deums’ and shout her shouts of joy, as she did when she heard the lamentations and cries of desolation of the millions of martyrs in the capitals and great cities of Europe.

“ Chapter LV “ Rome saw at once that the very existence of the United States was a formidable menace to her own life...”

It will be very worth your time.

>>> Two more key quotes:

> Catholic Archbishop James Quigley, Chicago Daily Tribune, May 5, 1903

“Within twenty years this country is going to rule the world. Kings and Emperors will soon pass away and the democracy of the United States will take their place... When the United States rules the world, the Catholic Church will rule the world... Nothing can stand against the Church [Vatican]. I’d like to see the politician who would try to rule against the [Vatican] Church in Chicago. His reign would be short indeed.”

> Cardinal George, Archbishop of Chicago (1990s to 2000s)

“... Cardinal George is the man who accidentally admitted that their agenda is so harsh and evil that while he would die peaceably in his bed (which he did pass away in 2015 shortly after this rally), however his Jesuit “son”/student would die imprisoned and his “son”/student after him would be put to death as a martyr in the

open square, but then his “son”/student will pick up the “shards of a ruined society” and slowly help rebuild and would then be considered a hero...”

The “theologians” of Rome encourage their followers to hide their Catholic faith at times, for to accomplish greater goals.

“When you are asked concerning the faith, not only is it lawful, but often more conducive to the glory of God and the utility of your neighbor, to cover the faith rather than confess it; for example, if concealed among heretics (Protestants) you may accomplish a greater amount of good...”

> quote from “*Theologia Moralis*” on page 55 of Chiniquy's book

Vatican council in Lateran, 1215

“We excommunicate and anathemize [curse] every heresy which exalts itself against the holy, orthodox and Catholic faith, condemning all heretics, by whatever name they may be known... If laymen, their goods must be confiscated... Secular powers of all ranks and degrees are to be warned, induced, and if necessary, compelled by ecclesiastical censure, to swear that they will exert themselves to the utmost in the defense of the faith and extirpate (kill) all heretics denounced by the Church who shall be found in their territories. And whenever any person shall assume government, whether it be spiritual or temporal, he shall be bound to abide by this decree...”

“We decree further that all who may have dealings with heretics (Protestants), and especially such as receive, defend, or encourage them, shall be excommunicated. He shall not be eligible to any public office...”

Catholic theologians show how rotten the Vatican's lies are:

“A woman guilty of adultery may deny it under oath if she has confessed it to a priest. “If sacramentally, she confessed adultery, she can answer ‘I am innocent of this crime’ because by confession, it was taken away.”

> quoting Ligouri – a long-standing Catholic scholar and “theologian”, from page 55 of Chiniquy's “[50 Years in the “Church” of Rome](#)”

The founder of the Jesuits (the secret Vatican militia), Iñigi “Ignatius” Loyola, was a member of the French and Spanish royalty Basque family, and was a good friend of Spanish Illuminati, called the “Alumbrados”, which Loyola himself also admitted before a legal court in 1527. Even the Encyclopedia Britannica says this: “*The Alumbrados came especially from among the reformed Franciscans and Jesuits, and St. Ignatius Loyola was charged in 1527 for sympathizing with them.*”

> Encyclopedia Britannica

Let’s look at another book that will help this make more sense... or rather to show how far from sense Rome and her Jesuits are. Let’s look at their so-called ‘catechism’, which is very different from the Catholic one, and a bit harder to find too. The copy we’re quoting to you from is called: “*The Jesuits Catechism*”. This is what their title page says. “*The Jesuits Catechism according to St. Ignatius Loyola, for the instructing and strengthening of all those which are weak in that faith. Wherein the impiety of their principles, perniciousness of their doctrines, and the iniquity of their practices are declared (AH). Omnia pro tempore, Nihil pro veritate. Second edition. London, Printed for Robert Hayford, at the Angel in Cornhil, near the Royal Exchange. 1681.*”

Written Proof: Vatican/Jesuit conspiracy against USA + world

On the topic of the “power of the pope”, it says this: ***“The papal fiat [power] is the guide; What he doth here, in Heaven is ratified; He acts as God, their power so equal are, that God, Christ, Pope have but one Judgment Chair. Then [“than” or “compared to”] Paul or th[e]’ old Law, he’s great and true, he can command [a]gainst Paul and the Gospel too, Can from Rules of Faith, the old casheer [guard/keeper]; And over General Councils domineer; If he to Hell millions should draw, Yet none must ask him why? His will is Law.”*** (Jesuit Catechism, page 2)

On page 3, they explain how big they pretend the “pope” is. Their “catechism” says: ***“He is the vicar of Christ, King of Kings, and Lord of Lords, and there is but one and the same Judgment-Seat belonging to God and the Pope... everyone is to be obedient to the pope upon pain of damnation... The Canon Law will tell you that the Pope is as far above Kings, as the Sun is greater than the moon... according to astronomy... to be above 7744 times greater than any king, and for Kings, they are no more to be compared to the pope than lead is to gold. A common priest is as much far better than a King as man is better than a beast; nay farther...”*** (Jesuit catechism, page 3)

Page 4 adds to the absurd lies here.

“All laymen are no better than horses, mules, or [donkeys], and the Romanist himself hath but the honour to be a tame [donkey], while the heretick is a wild one; nor do kings of the Popist persuasion get any more esteem from him than that of the formost of leading [donkeys] with the fine jangling bells about their necks. There is but one Supreme Authority in the world, and that is the Pope.

Q – How do you prove that? A – Because God created Heave in the beginning, for its not laid in the beginnings, in the plural number, therefore, he that doth not believe the Pope to be the only Supreme, is a heretick Manichee... No Law can be made to bind Christians, but by the Pope’s Authority, as of old the Israelites received none but by the intercession of Moses. The Gospel would not be Gospel if the Pope had not approved it...”

We saved the PDF copy we could find (first 5 pages) and uploaded a copy to our site – intact, unaltered. If you look at it, you’ll notice that it’s the ancient British script and a bit hard to read until you realize that two letters “s” and “f” become fancy script in their document. If you keep that detail in mind, it’s fairly easy to read, despite its slightly different British sentence structure compared to our English style, and it’s 500 year old King-James style dialect.

Jesuit initiation ceremony and oath quotes (all active, not just historic)

“You have been taught to insidiously plant the seeds of jealousy and hatred between states that were at peace, and incite them to deeds of blood, involving them in war with each other and to create revolutions and civil wars...”

“... I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. "In confirmation of which, I hereby dedicate my life, my soul and all my corporal powers, and with this dagger which I now receive, I will subscribe my name written in my own blood, in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the Militia of the Pope cut off my hands and my feet, and my throat from ear to ear, my belly opened and sulphur burned therein, with all the punishment that can be inflicted upon me on earth and my soul be tortured by demons in an eternal hell forever!..."

Well-known industry and government leaders speak out

> Abraham Lincoln (US President, quotes from before and after the United States Civil War, 1859-1865)

"I do not pretend to be a prophet. But though not a prophet, I see a very dark cloud on the horizon. And that dark cloud is coming from Rome... a cyclone such as the world has never seen will pass over this country, spreading ruin and desolation from north to south... Neither I nor you, but our children, will see those things."

"I feel more and more every day that it is not against the Americans of the South, alone, I am fighting. It is more against the Pope of Rome, his Jesuits and their slaves. There are only vary few of the Southern leaders who are not more or less under the influence of the Jesuits, through their wives, family relations, and their friends. Several members of the family of Jeff Davis are under the influence of the Jesuits. Even the Protestant ministers are under the influence of the Jesuits, without suspecting it... Rome is doing here what she has done in Mexico, and all the South American Republics; she is paralysing, by civil war... She divides our nation in order to weaken, subdue and rule it."

"...I pity the priests, the bishops, and monks of Rome in the United States when the people realize that they are in great part responsible for the tears and bloodshed in this war. I conceal what I know, for if the people knew the whole truth, this war would turn into a religious war, and at once, take a tenfold more savage bloody character. It would become merciless as all religious wars are. It would become a war of extermination on both sides. The protestants of both the North and the South would surely exterminate the priests and the Jesuits if they could hear what Profess or Morse has said to me of the plots made in the very city of Rome to destroy this republic..."

"...The true motive power [of the civil war] is secreted behind the thick walls of the Vatican, the colleges and schools of the Jesuits...They have continued in a silent, but most efficacious way, to spread their hatred against our institutions, our laws... and our liberties in such a way that this terrible conflict became unavoidable between the North and South... it is Popery that we owe this terrible civil war... I would have laughed at the man who would have told me that before I became President. But Professor Morse has opened

Written Proof: Vatican/Jesuit conspiracy against USA + world

my eyes on that subject... Our people are yet ready to learn and believe those things, and perhaps it is not the proper time to initiate them into the dark mysteries of hell... Sooner or later the nation will know...And then those who have caused those desolations and disasters will be called to give an account."

"This war [United States Civil War of 1861-1865] would never have been possible without the sinister influence of the Jesuits. We owe it to the Popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion, between the South and the North on the question of slavery, neither Jeff Davis nor anyone of the leading men of the Confederacy would have dared to attack the North had they not relied on the promises of the Jesuits that, under the mask of democracy, the money and the arms of the Roman Catholics, even the arms of France, were at their disposal if they would attack us."

One author added this comment to clarify what Rome vocally did just before the start of the US Civil War: **"Pope Pius IX never actually signed any kind of alliance or 'statement of support' with the Confederate States of America, but to those who understand the nuance of papal protocol, what he did do was quite astonishing. He acknowledged President Jefferson Davis as the "Honorable President of the Confederate States of America.""**
- author quote found at: <http://www.seawapa.co/2014/10/The-American-Civil-War-the-Jesuits-and-Abraham-Lincoln.html>

Abraham Lincoln also said to a very honorable former Catholic priest, Charles Chiniquy, after defending him in court against devastating outright slander and libel from the team of Chicago Catholic priests and bishops, quote: **"I know that Jesuits never forget never forsake. But man must not care how and where he dies at the post of honor and duty."**

> Samuel Morse, inventor of the American Telegraph (1791-1872)

Samuel Morse, when in Rome, found out about Rome's conspiracy against freedoms outside of Roman control, including the ones found here in the US. Mr. Morse wrote a paper titled **"Conspiracies Against the Liberties of the United States"**. Dr S. Irineous Prime explains what motivated Mr. Morse to speak out against Rome in his book on the life of Mr. Morse.

"When Mr. Morse was in Italy, he became acquainted with several ecclesiastics of the Church of Rome, and he was led to believe, from what he learned from them, that a political conspiracy, under the cloak of a religious mission, was formed against the United States. When Morse came to Paris and enjoyed the confidence and friendship of (French General) Lafayette, Morse stated his convictions to the general, who fully concurred with him in the reality of such a conspiracy."

Mr. Thompson, in his paper *"The Papacy and the Civil Power"* said it this way:

They (principles of the Church Rome) are in open and direct antagonism with the fundamental theory of our government and of all popular government everywhere."

"Pope Gregory VII decided it was no murder to kill excommunicated persons. This rule was incorporated in the canon law. During the revision of the code, which took place in the 16th century, and which produced a whole volume of corrections, the passage was allowed to stand. It appears in every reprint of the 'Corpus Juris'. It has been for 700 years, and continues to be, part of the ecclesiastical law [of the Vatican]. Far from being a dead letter, it obtained new application in the days of the Inquisition; and one of the later Popes has declared that murder of a Protestant is so good a deed, that it atones, and more than atones, for the murder of a Catholic."

> **Nino Lo Bello**, author and historian

"Nino Lo Bello, in his book, The Vatican Papers, (published by New English Library in 1982) in the chapter entitled "The Vatican's Spy Network" makes it very clear that the Vatican has the most efficient and widespread spy network in the world. It outclasses even the Russian KGB. He states that this group of espionage agents came to be known by the popes as Sodalitium Pianum, and it includes every priest, nun, and monk anywhere in the world."

"The Jesuits are a military organization, not a religious order. Their chief is a general in an army, not a mere father abbot of a monastery. And the aim of this organization is: POWER. Power in the most despotic exercise. Absolute power, universal power, power to control the world by the volition [choice/command/will] of a single man. Jesuitism is the most absolute of despotisms; and at the same time, the greatest and the most enormous of abuses."

"There was no disguise they [Jesuits] could not assume, and therefore, there was no place into which they could no penetrate. They could enter unheard into the closet of the Monarch, or the Cabinet of the Statesman. They could sit unseen in convocation of General Assembly, and mingle unsuspected in the deliberations and debates."

"There was [and is] no tongue they could not speak, and no creed they could not profess, and thus there was no people among whom they might not sojourn, and no church whose membership they might not enter and who functions they might not discharge. They could execrate the Pope with the Lutheran, and swear the Solemn League with the Covenanter."

Conclusion – pulling the pieces together

We hope you've found this informative – if not also quite alarming. You would be surprised how many Jesuits are active in trying to destroy things that you care about. Since this is before the literal 7-year Tribulation, we plead with you to share this with your friends. We believe this info will be needed in the very near future, and for many people who are quite unaware of the serious dangers to them, their families, and the communities, and other things around them, in their states, and in their countries.

In AD 200 to 300, the devil overthrew the Christian church-gatherings in Rome, and in AD 312 to AD 313 started a Roman government becoming the Roman-Catholic state “church” that will be murderous all the way into the Tribulation – see Revelation 17. The Vatican has collected all of the stories of the false religions and mythologies of the peoples of the world. And they used that knowledge to infiltrate all of them, and then boost them as though they are all viable paths to God. They use bullies in every false religion to keep it going, and pretend that the people never realized that it never has been a “god” (Romans 1). That is one of the conquering works and agendas of the Jesuits.

Over the last almost 20 years of reporting on news or writing and sharing Bible studies, sometimes we get feedback that explains that what we thought was obvious to all... isn't. Such is the case with the Jesuits and the surprise we are finding from honest followers of Jesus - some of whom can't quite grasp if the Jesuits really are doing the evil that it seems they are, because the Jesuits and Rome have wonderful think-tanks and PR machines to give out cleverly worded lies that are almost plausible. The questions are indeed understandable, because the sad part is that many of us Protestants don't realize who all are the enemies around us, because we don't have accurate history to compare with. But in the case of the Jesuits, we have something even better - their own words and documents.

What you saw above is their own words and the words of those who were trying to warn us about the Catholic and Jesuit agents, including older history books that the Catholic church has tried really hard to marginalize and delete from print. Remember satan and his demon and human agents know that history can repeat itself if we, especially those who know Jesus and pray, are not aware of the past. So, let us review and share important details (like you just saw) from the past so we can watch and pray and speak up against evil, yes?

What if you were able to read the words of the Jesuits telling you how much a threat they are to the entire world's civilizations and freedoms... what kind of impression would that have on you? And what if their words were so clear that it would become 100% clear what their real and secret intentions are - would that bring clarity to these issues? It would, wouldn't it? What you just read is that 100% proof – in their own words. And that quality of quotes of both Catholic and Jesuit leaders is not only telling how evil they are, but also their boasts of how they are going to conquer and destroy their opposition. As you saw, we also have many honest historians of the past who also quote in very simple and clear wording what they had discovered about the Jesuit plan against the world.

Now you can see with your own eyes, the secret war against the Word of God, the United States of America and freedom in general (around the globe) – from Rome. Did you know another war is trying to brew and start? Sadly, people listen to believable lies that distract them from the largest enemy that, it seems, they have never yet identified. There is an invasion in the US, and it has been going on for over 300 years. Did you know that satan has teams that are actively doing this? Did you know that we can identify them, using their own quotes and the Word of God? Did you realize God is looking for men and women who will fear Him and stand up to evil, no matter how daunting that task may seem? In fact, exposing evil is a command from Jesus Himself, repeated by God through His apostles and prophets (in the Bible), of which Jesus also did by example, as well as His righteous apostles and prophets and other servants of Jesus.

Every modern war in the last 300 years has been led by the Vatican – the only exception was when God did miracles to re-establish the Jewish/Hebrew people back in their land as He promised He would do (1948 – 1967). All of the other wars fall into God’s warnings found in James 4:1-4. Don’t support any wars. Pray against them. Because they aren’t aimed at attacking your “enemies” – but you. When we seek the Lord with all our heart and pray fervently, God answers mightily.

Another topic we need to cover is the “art of war”. For those of you who have studied this, it will be a repeat for you - but for the rest of you, you might be shocked. The point a tyrannical empire starting a war is to win, right? To conquer and loot the people they have conquered, right? Many generals, though, have been quite irritated about how many soldiers they have lost in battle, so strategy of how to win is always of equal or more importance as having more troops, or more skilled troops, and weaponry, etc. By far, the best way to win a war, according to the war mass-murder leaders, is to use propaganda to coerce the opponent into dropping their weapons and surrendering, right? If you read books on the psychology of war, you will find this in plain writing - even clear quotes from many a general through the last centuries. Psychology and propaganda are by far, according to war-lords, the best strategies to spend resources on, to conquer with minimal losses or expenses. In the spiritual war, two of satan's key weapons are secrecy and distractions. The devil has found many times, if he can get honest followers of Jesus to ignore some of his schemes, he can make far better progress on them. That is the key reason he doesn't want you - yes you - to look into the secret Vatican and Jesuit war against Christians. This is not a joke, it is the reality behind everything you see - the truth at the core of the onion layers of lies.

The invaders of the United States of America are not aliens from outer space - that’s a hoax and cover for demonic activity - the only invaders from outer space are demons, fallen angels, enemies of God and humans (John 10:10). The invaders of the United States of America are not muslims – many of them are just ranchers just as God said they would be, except for the ones that Rome pays to be an army or her evil deeds. The invaders of the United States of America are not the Spanish poor folks who are fleeing dictators or countries that Rome used the US military to destroy. The invaders are certainly 100% not the Jewish/Hebrew people – as Rome likes to blame the Jews for all of her evil deeds.

No. The invaders of the United States of America are the Roman Catholic Jesuit-militia, as well as the Roman Catholic leaders at every level: archbishops, cardinals, bishops, priests, lawyers, judges, attorneys, lawmakers, governors, mayors, representatives in US Congress and each state Congress, as well as in the military and police forces.

In the US right now, Rome has imposed (through Diebold vote-rigging) a Jesuit/Catholic dictator on the US, but we can continue to reject and oppose his evil plans – all of them. But, if honest followers of Christ don’t wake up, research, and speak up and pray, we look like we are all going to see Rome’s iron fist a lot closer than we wish. Please read this and pass it on to everyone you care about. All of those you love are in danger as the Jesuit/Roman-Catholic war-launch is already activated, but can be shut down – by prayer and exposing their evil deeds.

Thank you for watching and praying and speaking up against evil!
